

# Pledge Yourself To Drive Safely

Birmingham area motorists can help in reducing the unnecessary and mounting toll of highway deaths and injuries. Sign this pledge and take it to your neighborhood gas station and exchange it for a windshield sticker. The sticker will be a constant reminder that safe drivers are courteous drivers, they are alert and careful drivers, they are law-abiding drivers.

This is the pledge:

## Safe Driving Pledge

I want to do my part to prevent traffic accidents in Michigan.

I know that traffic accidents don't just happen. I realize they are caused by unlawful, thoughtless and selfish acts.

ACCORDINGLY—

1. I promise to obey all traffic laws.
2. I promise to be an alert and careful driver at all times.
3. I promise to be courteous to other drivers and pedestrians.

By signing this pledge, I shall receive from my Service Station Dealer a Safe Driving Pledge sticker which I agree to place on the windshield or a window of my car where it will not interfere with my vision but where it will serve as a constant reminder of what I have promised to do.

## Passengers Injured In Sunday Crash

An accident at the corner of Eton and 14 Mile roads Sunday resulted in slight injuries to Patricia B. Kirk, 29, of Walled Lake, who was treated for lacerations at Beaumont hospital. She was a passenger in a car driven by William H. Kirk, 27, of Walled Lake. Norman Cooper, 34, of Royal Oak, was treated for cuts and bruises. He was riding in a car driven by William H. Eldridge, 54, of Detroit.

## Thanksgiving

After the Pilgrim's harvest They stopped their work to pray, For all the blessings of the land That first Thanksgiving Day.

They were thankful for the bounty Of that first ripened yield And to show their grateful feeling A covenant was sealed.

And we are ever thankful For that heritage of grace The Pilgrim Fathers left to us In that most sacred place.

—CORA D. HOLMES

## Baldwin School To Open Novel Resource Center

A new concept in school planning is being introduced at Baldwin school, Maple at Chester in Birmingham, where a "resource center" will soon be opened. Baldwin Principal Arthur Roller said, "Nothing like it has ever been done before."

Almost \$3,000 has been contributed to develop the unusual room

of the school's P.T.A. The board of education has cooperated in improving the room's physical plant, while P.T.A. funds are providing furnishings, equipment, desks and drapes. Original idea for the room was developed jointly by the school's P.T.A. and staff members. For use of both students and teachers, the room will be a combination library, study, exhibit and

TV room. It will be equipped with a little theatre, tools for craft work, a disc recorder and phonograph. Members of the board of education, P.T.A. officials and school principals have been invited to preview the room Tuesday, Dec. 11. The following Monday it will be formally presented to students.

## Ambulance Delivers Son to Doctor Dad

Injured skater Jack McPhee, 13, of 1951 Woodlee, Birmingham, received prompt and personal attention after having a mishap on the ice at Eton Park skating rink Sunday. Jack fell to the ice and was

knocked unconscious. Charles Gale, parks and forestry director, called an ambulance and had the young boy on the way to the hospital. When Jack's mother heard of the

accident and destination of the ambulance, William Beaumont Hospital, Royal Oak, she requested that they turn about and head for St. Joseph's Mercy hospital, Pontiac, where her husband, Dr. Edward McPhee was on duty. Jack received some expert attention from his father and is back on his skates again.
