

DIGGING THEIR HANDS through a box of leaves is more fun than raking them for most of this group of enrollees at the First Presbyterian church nursery school in Birmingham. They were caught emulating their parents' leaf-raking activities during a period outdoors while the morning nursery school was in session. Miss Fern Hotton is director of the nursery school.

Lord Nelson Mass To Be Presented

Haydn's Lord Nelson Mass, presented two years ago, is being repeated Sunday at Christ Church Cranbrook, by popular demand.

The Haydn third mass will be conducted by Maurice Garabrant, director of music at Christ Church, at 4 p.m.

A string ensemble from the Detroit symphony orchestra and the full Christ church choir will join Kent McDonald, organist, from Birmingham's St. James Episcopal church, who will be at the organ.

Mary Jane Walker, soprano from Birmingham, and Carl Christiansen, tenor from Bloomfield Hills, will be soloists.

The concert is open to the public without charge.

Marilyn Mason, of the University of Michigan faculty, will present her annual recital of organ music at Christ Church Cranbrook Sunday, Nov. 18, at 4 p.m.

Southfield Church Annual Bazaar Set For Saturday

The annual bazaar of the Southfield Methodist church, sponsored by the Woman's Society of Christian Service, will be held at the church Saturday from 11 a.m. to 7 p.m. The church is located on 10 1/2 mile road, just east of Telegraph road.

Booths will offer handwork, aprons, baked and home-canned goods, homemade candy, a merchandise mart, and a booth especially for children.

The snack bar will operate all day with soup, sandwiches, a luncheon special, and a turkey dinner.

You know all that talk you've been hearing about the 1957 new car models being really new? Well, in the case of the 1957 Buicks it's true—gospel true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

And we mean, most of all, an advanced new Variable Pitch Dynaflo®—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
