Returns from 'Round-the-World Board of Commerce Trade Tour

Andrew E. Siarto of 13 Mile road returned last week from a six-week plane trip around the world with 35 members of the Detroit board of commerce. This is the seventh trade tour taken by Detroit area business men to promote good will.

Places visited included Belgium, the Belgian Congo, Johannesburg, South Africa, Madagascar and surrounding islands, Australia, New Zealand, Fiji Islands and Hawaii.

The Albert Zimanski garage and lawn on Stelmarr drive was the scene Tuesday evening of the first annual ice cream treat and Halloween parade for more than 50 South Berkshire-younger set.

A large white sheet stretched across the back wall, painted with skeleton heads, pumpkins and Halloween motifs served as a background for the treat table.

Ghosts, skeletons and witches cavorted across the lawn with pirates, cowboys and bunnies, while Harry Crockett chased a wild dancer around the drive, with 200 animals and fairy book characters joining the festivities.
