My eyes have a wagging tail . . .

I am blind.

I have never seen your world. Your trees, your sunsets, your children's faces.

Yet, thanks to you, I consider myself lucky. You see, your 1955 TORCH DRIVE dollars helped me get a new pair of eyes—my dog Prince.

They say a dog is man's best friend. If only I could tell you what my dog means to me! Prince is far more than my "best friend." He's as much a part of me as my arms and legs.

It took money—far more than you might imagine—to train Prince and me to live and work together.

But you saw to it that we got what we needed to live "on our own."

Yes, I'm lucky to have Prince. But I know of others here in Detroit who aren't so lucky. Would you help them as you have helped me?

150 CAMPAIGNS IN ONE—The United Foundation is a permanent, non-profit corporation created to unite separate appeals for funds into one annual drive. This way, collection costs are lowered, so that more than 95¢ in every dollar can do the good work you want it to do.

Give your fair share . . . Give once for all!

There are two ways of giving—

Just pick the one that fits you best

1. At work—Your whole year's contribution will be broken up into installments—every pay, every other pay—however you wish. This way, you'll hardly miss the money you give. And you won't miss out on taking part in Detroit's proudest civic activity.

2. At home—If you are a housewife or in a business or job where there is no payroll contribution plan available, you can make your contribution to your neighborhood's Torch Drive volunteer. She will be calling on you soon.
