BIRMINGHAM'S Tom (The Bomb) Tracy pleased most of the 55,000 odd fans in his first appearance as a Detroit Lion in Briggs stadium last Sunday. Going against the San Francisco 49ers, Tracy carried nine time for 26 yards which helped in the close 20-17 victory. The former Maple high school all-state player had a difficult time before he finally donned a Lion uniform. He was under contract to the Ottawa club in the Canadian football league but gained a belease after suffering injuries. In the list two weeks he recovered surprisingly fast to win a spot in the offensive unit. The 210-pound-fullback looks like he might stay around for the rest of the season.
