Let's Ask Broomfield!

Maybe you got one of those letters from Washington, on stationery printed at Government expense, stressing the "expensive" Paul Sutton's opponent. Maybe you've even heard this candidate himself talk about his "record."

Let's look at this "Record" as a State legislator that he brags about!

Look at the actual harm he's done to every group in our country!

CONSUMERS AND FARMERS WERE HURT

When Broomfield voted against improved procedures on public utility rate hearings, against grade and "seal of quality" labeling to promote the sale of Michigan farm products, and for a sales tax on used cars which means a double sales tax on cars.

Why? ... Ask Broomfield!

BUSINESSMEN WERE HURT

By loss of purchasing power caused by Broomfield's many votes against adequate unemployment insurance, and for a business receipts tax favored only by big corporations.

Why? ... Ask Broomfield!

MINORITY GROUPS WERE HURT

When Broomfield voted against FEPC consistently for 6 years, and only voted for it when passage was assured.

Why? ... Ask Broomfield!

TEACHERS WERE HURT

When Broomfield voted against an assured pay increase for them.

Why? ... Ask Broomfield!

Newcomers Hear William Merrill, Plan Activities

"Opportunities in show business are unlimited these days, thanks to the development of 'strawhat' theaters," William Merrill told Birmingham Newcomers at their October meeting Thursday at the Community House.

Merrill is director of Will-O-Way Playhouse in Bloomfield Hills. His talk included the history of the local playhouse and the development of "strawhat" theaters in general. He said that show business is the third largest industry in the country and that there are now 437 strawhat theaters in the United States. Will-O-Way was the fourteenth to be started, and now rates in the top ten among such theaters.

FOR THOSE interested in show business, Merrill suggested home town theaters and advised against going to New York or Hollywood without a solid background. He also recommended universities where a student can major in speech or theater.

Mrs. Walter Riley, Jr., president, conducted a brief business session during which final plans for a couples bowling party were announced. The event is to be Saturday at 6:45 p.m. at Bloomfield Lane.

SIXTY-FIVE Newcomers who participated in the golfing program this summer met yesterday at the Kingsley Inn for a luncheon and awarding of trophies.

Mrs. Max Morden will be hostess today at her home on Pleasant street to about forty Newcomers who joined the organization at the September meeting. The event will be a "coffee," a monthly activity sponsored by the board members for Newcomers who join the previous month.

Parents Hear Of Class Activities

The paper drive and the sale of Christmas wrapping paper were discussed at the recent PTA meeting for parents of juniors at Birmingham high.

Rosa A. Wagner, principal, told parents how to help children select future courses and explained the new driver training law.
