

New Officers Nov. 7 For B'ham Federal

Birmingham Federal Savings and Loan Association will formally open its new main office at W. Maple and Pierce on Nov. 7, it was announced today.

The public is invited to inspect the new quarters during a three-day open house November 7-9, according to Walter L. Moreland, president.

You'll Need 2nd License Bracket With 1957 Plates

Thousands of Michigan motorists may have trouble complying with a new regulation calling for both front and rear license plates on their cars in 1957.

"A large share of 1956 and older model cars sold in Michigan were not equipped with front license plate brackets," Douglas C. Brown, Auto Club's Birmingham division manager points out. "Many motorists who found the brackets had no use for them, and threw them away."

To avoid a last minute rush and to be assured of meeting the new requirement, Brown advises driv-

ers to check their cars and buy a bracket if necessary.

Auto Club this week mailed letters to auto dealers throughout the state alerting them to a wholesale need for the mounting bracket when 1957 plates go on sale.
