Shakespearean Names Accent Collection of Fall Originals

Society Editor

"As You Like It" with the names of the costumes taken from Shakespearean plays was the thims of one of the most "spectacular showings" as Biriminghain and Bloomfield Hills residents gathered to view the 1950 collection and nather was any particular color than the 1956 collection and nather was any particular color blocks, some navy, sould be a stripes and some novelties with color variation. But it is not to be a stripes and some novelties with color variation. But it is not to be a stripes and some novelties with color variation. But it is not to be a stripes and some novelties with color variation. But it is not to be a stripes and some novelties with color variation. Fabrics for applies on the color variation. Fabrics for applies in cloud a stripes and some novelties with a stripes and the stripes and some novelties with a stripe with a st

an ankle length dinner dreat.

More "Cover up" clothes were shown in the collection.

ONE of the out-tanding costumes shown was "Prospero" and "showy" of all was a floor-length ballgoon of butterup yellow taff-dreasmaker coat and matching of the company of the
