**School Bells Mark 2-Fold  
Meaning for Doug Wassell**

School bells rang a two fold meaning for Douglass Wassell, son of Mr. and Mrs. Edward Wassell, 1661 Graefield. Not only did they mean the end of his summer vacation but also they marked his eighth birthday.

So as not to feel that summer was completely gone five of his friends were invited to a "Sailing" party to celebrate the occasion. For favors, sail boats were given to the youngsters before going to Cass lake where they enjoyed sailing them before a picnic dinner.

The children returned to Doug's home for birthday cake and ice cream and were surprised to see a cake shaped as a schoolhouse together with a miniature playground and little "kiddie" candelabra.

Enjoying the festivities were Paul Nelson, Jeffrey Thompson, Paul Hawley, William Green and Paul McGuire. Everyone agreed that the Dunlop racer bike that Doug received from his parents was just about the best birthday gift anyone could receive.

Vacation time was over for some of the fathers of Cub Pack B-23 who met at the home of George Ward on September 6th to talk over plans for the 1956-57 season. Between tall tales of fish caught and accounts of various ideal vacation spots; September 22 was set as the date of the Lad-Dad hike. Frank Ward is the chairman for the affair. Maurice Reardon is in charge of games which will consist of a three-legged race, a wheelbarrow race and a capture-the-flag race. Hugh Gologry is in charge of obtaining cider and arranging for a place to meet.

Making plans for the treasure hunt are Don Pennell and John Dowling. Getting the food is up to Walter Lindow, Burr French, Chris Reinhardt and George Ward. On the general committee is Basil Sturman, Roland King and Burr French.

Maurice Reardon accepted the office of chairman of the pack committee.

Mrs. David Lewis, pack mother, is busy organizing dens and contacting den mothers so the cub program can get under way. Any boy of cub age, in this area, who is interested in joining the pack can obtain details from Mrs. Lewis at MI. 6-4457.

Mrs. Robert Burch of 1594 Witherbee road, Troyton Manor opened the bridge season by entertaining her bridge group last Wednesday. Seated at the two tables were Mrs. Thomas Schulze, Mrs. Douglas Bain, Mrs. Lawrence Perry, Mrs. Ivan Towns, Mrs. Robert Ball and Mrs. John Ward. Dessert and coffee ended the evening.

Mr. and Mrs. Stan Trevillian of 1565 Witherbee road, Troyton Manor, proudly announce the arrival of their fourth daughter, Gloria Jean. Born on August 26th at St. Johns hospital, Detroit, Gloria Jean weighed 10 lbs., five oz. Her three sisters, Patty, Pam and Barbara, helped welcome her home.

On Labor Day Mr. and Mrs. Robert Crawford of 2105 Derby road entertained their neighbors at a steak cook-out. The group included Mr. and Mrs. Edward J. Huebner, Mr. and Mrs. Charles L. Gaiser, Mr. and Mrs. Frank Gehl, Mr. and Mrs. George Gellatly, Mr. and Mrs. Lindberg, and Mr. and Mrs. Morris Sherbow.

Before boarding the train heading west Mr. and Mrs. Donald Cramer of 1674 Witherbee road, Troyton Manor, drove their two daughters, Carolyn and Susan to visit their grandparents in Terra Haute, Ind.

Joined there by Mr. and Mrs. Donald J. Hevis of Birmingham, the two couples boarded the new Vistadome train. Taking complete advantage of the 360 degree visibility afforded by the Vistadome Mr. Cramer was able to preserve some beautiful color photographs of Victoria, British Columbia, Montana and Nebraska.

To mix a little business with this colorful trip Mr. Cramer attended and spoke at the annual American Accounting Association's convention in Seattle, Wash.

**Special Rail Trip To Greenville On Grand Trunk**

All aboard for Greenville! Yes, rail fans in and around Birmingham better reserve Sunday, Sept. 30, for another of those popular "fall fan trips" operated by the Greenville Railroad Club.

For on that day the club will charter a special mixed train with STEAM POWER on the Grand Trunk Western Railroad to carry rail fans and shutterbugs on a trip to Greenville via Durand and Owosso.

As usual the special train will carry passenger coaches, open gondolas and at least one caboose.

**FROM OWOSSO** to Greenville is freight only now. Passenger service was discontinued nearly a year ago. Part of the trip must be made over the Ann Arbor Tracks, and that is something only true rail fans can appreciate.

Rudduck pointed out that this year's trip is so planned that the traveler has nothing to do, but be there and enjoy all the features. Upon arrival at Greenville a buffet lunch will be available to all as the price is included in the ticket.

Greenville's chamber of commerce have assured Rudduck of a welcome that not only will please but happily surprise the group.

**COST** of the trip from Birmingham or Pontiac is \$7.50 for adults and \$4.25 for children under 12. An additional charge of 50 cents a ticket will apply to all purchases made after Sept. 23.

The train leaves Birmingham at 8:30 a.m. and is scheduled to return at 8 p.m. Camera fans are assured of plenty of picture stops enroute.

Tickets may be obtained by sending remittance made payable to the Michigan Railroad Club plus a stamped self addressed envelope to Box 2271, Dearborn.

son of Mr. and Mrs. George W. Bird of 6095 Golfview drive, Birmingham. He attended the University of Toronto before entering service. Before leaving Whiting Field Naval Auxiliary Air Station, Milton, Fla., for more advanced training, he will receive instruction in precision air work along with his regular solo flights.

**A FIRST SOLO** flight has been made by Naval Ensign Thomas C. Bird,
