Birmingham "Sculler" Readies for Olympics

Edged out four years ago in the semi-finals at Helsinki, Pat Costello, 965 North Woodward, Birmingham, is making an all-out hid to avenge his defeat this year in the double sculling event in the Olympics games in Australia.

In the past year the Birming

and got me interested in it when a 'was 20'.

AS SOON AS the ice thawed this spring, he started working out each morning on the Detroit river before driving to his job at GMC.

Work on Long Lake near Pontiae.

"Conditioning, both mental and physical, is probably the most imported out." You have to have the will power to call on every ounce of reserve power you possess when your lungs feel like they are being your lungs feel like they are being but of energy might mean the difference between success and failure.

as the Nov. 23-27 dates for the sculling races draw nearer, Pat will intensify his training. He, his team-mate and other Boat club scullers will go to Los Angeles in mid-October for final practices before flying to Australia.

B'ham Gun Club

Throughout the month of September, the Birmingham Gun Club will continue their regular club shoots each Saturday for the members and their friends.

The club's activities are directed towards the trap shooting phase of shooting.
