### Players Name 'Gold Cadillac' Technical Staff

Selection of the technical staff for the Birmingham Village Players' production of "The Solid Gold Cadillac," which will be presented the weekends of Oct. 19-20 and Oct. 26-27, was disclosed this week by Mrs. Arthur S. Greiner, assistant director.

Because the comedy includes 14 scene shifts, the busiest man behind the footlights will be Douglas A. Brown, stage manager, assisted by Horton Allen, Norman B. Gustafson and Thomas Klingensmith. Set designer is Mrs. John A. Parks, assisted by Mrs. John A. Kleene, scenic chairman. Earle B. Wilson is special effects designer.

Heading the makeup committee is Mrs. Warren S. Sumner; properties, Edward J. Tobin Jr.; Mary Simpson, Mrs. E. Nelson Kimball, and Mrs. George H. Fox; lights, Charles D. McCall; publicity, Richard T. Clemons and Mrs. William R. Candler.

DONA HAGERMAN

### Parents Host Engagement Party

News of the engagement of Dona Hagerman to Orrin S. Gulley, Jr., was announced Saturday evening at a cocktail and supper party at the home of her parents, Mr. and Mrs. Clyde L. Hagerman of Eastways road, Bloomfield Hills. Orrin's parents are the Orrin S. Gulleys of Riverside drive.

Dona is graduate of the Stephens college and the prospective bridegroom was graduated from the University of Michigan, engineering school.

Plans are being made for a December wedding.

### Wins Scholarship

Carolyn A. Shattuck, 590 Henrietta, is one of 113 students at Michigan State university to have been awarded a Hinman scholarship for the 1956-57 school year. She is a junior.

### New Home Demonstration Unit Organized in Area

A new Michigan State University group on home demonstration was organized recently at the home of Mrs. W. Anson Hedgecock of Witherbee road. Miss Mary Hixson, home demonstration agent of the organization, explained its aim and outlined a program. A film on home decorating was shown.

### South Oakland Symphony Society Conducting Campaign for Members

The South Oakland Symphony society, in conducting its first campaign for the enrollment of new members, has embarked on a program which includes presentation of the South Oakland Symphony orchestra and soloists in concert performances for those who become members of the society.

Donating their time for this campaign in Birmingham are Mrs. Jean Aikens, 2950 Appoline, Mrs. Donald Hill, 1693 Banbury, Mrs. H. C. Heym, 1688 Buckingham, Mrs. Ann Hohenberger, 1850 Hillcrest, Mrs. Wendell Holmes, 3650 Tucker, Axel Magnuson, 1659 Henrietta, Mrs. W. D. McAlister, 17003 Graefield, Mrs. Walter F. Skinner, 838 Glenngary Circle, Mrs. Don Stanton, 815 Mohegan, and Mr. and Mrs. James Temple of 1846 Graefield.

Memberships are priced at five dollars for adults and three dollars for students or of below high school age, and will be sold only during the campaign, which runs through Saturday, Sept. 29. The four concerts scheduled for this season will be given in the Dondero high school auditorium, Royal Oak.

In conjunction with this concert series, the society will sponsor a free course in music appreciation for members which will be under the direction of composer Clark Eastman.

Important as the concerts are for the orchestra's continued existence, there are two other objectives the society and orchestra feel are of great importance to South Oakland county communities. Because they feel the growing interest in and appreciation of good music in Birmingham, and the importance can only be fostered as it should be by the giving of concerts for school children, they are sponsoring such concerts for each of the cities in South Oakland.

In addition, they will sponsor a talent contest so that musically gifted people will have an opportunity to perform as soloists with the orchestra.

## War Declared on Dishwater Germs

With Old-Fashioned Methods, A Greasy, Germ-Breeding Film Collects on Top of the Water

Pontiac, Michigan—September 27—When dishes are washed in a sink or dishpan full of water—a greasy, bacteria-breeding film collects on the surface. It is impossible to withdraw the dishes without passing them through this dirty film. And rinse water of average temperature cannot get them hygienically clean.

You can prove this to yourself by making a simple test in your own kitchen. Fill a glass bowl or tumbler with hot water suds. Put in a spoonful of butter, margarine or cooking oil. Almost instantly the greasy oil will rise to the surface and float just under the suds.

### With A Dishmaster, All Grease and Germ-Breeding Dirt Is Washed Right Down the Drain

Each Dish Is Washed and Rinsed with 30 High-Velocity Jets of Aerated Hot Water

With a Dishmaster, no greasy film can collect because each dish, glass, pot, pan or piece of silver is washed in a fresh supply of clean, hot water.

Push the button in the Dishmaster handle and 30 high-velocity jets of hot, aerated suds wash away

every fragment of food or grease. Release the button and instantly you have 30 high pressure jets of clean, hot, rinse water—much hotter than hands can stand the ordinary way. As a result, dishes are completely clean, hygienically clean!

Laboratory tests prove (affidavit on file) that dishes done by the old-fashioned "dunk" method contain 102% more bacteria germ than do dishes done with a Dishmaster.

### You Save Your Time!

### You Save Your Money!

### You Save Your Hands!

Health and hygiene are only a part of the important advantages of Dishmaster over conventional dishwashing methods. You Save Time because you eliminate the need for stacking and pre-rinsing—because you wash and rinse with one smooth, continuous operation—and because dishes dry sparkling bright without wiping.

You Save Money because you actually use less soap or detergent (one teaspoonful does a whole day's supply of dishes)—and because there's no necessity to buy new dishcloths and dish towels at frequent intervals.

You Save Your Hands because they are never immersed in water or subject to detergent burn.

### Dishmaster Costs Little More Than a Set of Good Faucets

Now is the time to replace your old worn out faucets with a beautifully styled Dishmaster. It's a shame to deprive yourself and your family of all the advantages of a Dishmaster—when its cost is so low, its operation so inexpensive, its advantages so great.

The Dishmaster "300," which you can install yourself in place of the center sink spout with no plumbing required, costs only \$34.50.
