# NEW TELEPHONE DIRECTORY **GOING TO PRESS** NOW!

#### Now is the time to change or add listings

Take a good look at the old directory. Are you as you want them? Perhaps you'd listings just as you want them? Perhaps you'd like to list the names of others in your household who receive calls frequently. Or have your name listed with your business telephone number: Or provide a special listing for business "Night, Sunday and Holiday" calls. There's still time to do it—and you'll enjoy greater telephone convenience at very little cost.

#### The Yellow Pages are closing, too!

If you're a businessman, remember that nine out of ten people use the Yellow Pages to find "where to buy." So be sure you're properly represented in the places they'll look when they're ready to buy your goods or services. If you haven't all arranged for your advertising in the Yellow P we'll be glad to help you choose a size, design and message that fits your business.

Just call our Business Office.
