Presbyterian Callers Urge Blood Donations

More than 50 representatives of the Women's Association of the First Presbyterian church are busy calling on prospective blood donors for their Sept. 18 drive.

Birmingham Community Blood Bank will be at the First Presbyterian church from 3-9 p.m. on that day.

"You have enough blood to spare," plenty to share with many people whose lives depend on it," says Mrs. R. L. Bernhard, co-chairman of this area's next blood program.

If medical requirements for wholeblood are to be met during the coming year, one out of every 20 people in the nation will be needed as a blood donor, according to the drive sponsors.

RED CROSS chairman of volunteers for the drive is Mrs. V. Van Fleet, with Mrs. Bernhard and Mrs. Raymond Giffels acting as co-chairmen of the day.

Community chairmen are Mrs. Edward Lertman and Mrs. Earl Cannon. Mrs. W. L. Lambie is poster chairman and Mrs. R. H. Scheel is handling publicity.

WSCS Circles Plan Meetings

Embury Methodist church WSCS circles will begin their round of fall activities this week beginning with two meetings Monday.

Buick Century 6-Passenger 4-Door Riviera

SENSATION OF THE CENTURY —at an easy-to-take price

It's Bonanza Time at Buick Dealers!

FIRST TIME you take the measure of a '56 Buick CENTURY, you'll know what the sports-car folks mean when they say the CENTURY is a great performer.

The getaway is right away—the road feel superb—the handling a joy. For this is Buick's most spirited and spectacular car.

It has the highest power-per-pound ratio in all Buick history.

It rides on a chassis compact to the last ounce and inch.

It takes to movement like a prima

ballerina—nimble to the nth degree.

And when you press the pedal, you get the response of Buick's mightiest V8 engine and the silk-smooth wizardry of an advanced new Variable Pitch Dynaflo* that lets you switch the pitch for emergency acceleration that's the most satisfying safety measure in the land today.

As we said, the name is CENTURY.

And, as you'll discover, the price is a cinch. For the CENTURY is just a cut above Buick's lowest-price SPECIAL Series—and that's just a cut above the well-known smaller cars.

So you really ought to try a '56 CENTURY...

Especially now, while your present car is at its peak worth...

Especially now, at today's Buick prices (who knows when they'll ever be as low again!)...

And especially now, with Buick so solidly in the Top 3 of America's best sellers—and that kind of sales volume permitting us to make you an even finer trade-in allowance.

Drop in on us this week—today would be even better!—and see what a buy you can make right now on the best Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
