PINE LAKE — 1 AND 2 BEDROOM cottages. Available for season Pine Crest Manor, 1282 W. Long Lake (Cr. Maybee 6-3225.

What kind of Vacation do you want for your family this year?

LIKE FISHING? LIKE SWIMMING? like peace and quiet? Like the comforts of home? You can find it all at this lovely, modern cabin nestled on the shore of a private lake. Lake up near Cheboygan, Michigan.

JUST A HUNDRED FEET FROM THE private lake and a hundred from the beach. It tapers off slowly, so it's fine for children. Not a thing that you have to do is throw a line out. There are fish a plenty in the lake, too. And the boat has been bought. Black and Pigeon Rivers are hitting all summer long for trout. Deer abound. And up there are mosquitoes. Gentle western breezes keep them away.

YOU REACH THIS PARADISE VIA private road off a main highway. Walk in and you find a cabin that's knotty with a fireplace that burns a foot long. You get two screen jewels for the bedroom. One with a double bed, the other has twins. Both are decorated in the living room and modern bath. And the kitchen has a regular electric water, electric range and refrigerator. Lots of hot water. And a forced air furnace keeps the cabin warm in the cool days. And a goodsleepin' nights. A telephone is available for your use. Bring your own linens, the cabin is completely furnished.

THIS WONDERFUL VACATION HOME, available for the first time this year, can be yours for a month or the entire season. June 15. In June, it's 115. Rental is only $100 per week by the month. $400 per month for the season. Incidentally, if two families would like to get together and occupy the cabin for a month, each taking two weeks at a time, that would be all right. May I have the pleasure of your reservation today. Attractive availabilities on weekly basis for short supply. Just telephone Midwest 4-4586.
