

Barnum Bylines

BY THE PRESS CLUB

The homemaking classes are busy working on their Easter projects. In the cooking department, girls are decorating cakes and cookies. Ninth grade girls are making Easter yeast bread. Sewing classes are working on skirts, dresses, and other garments, while monogramming and an entertainment unit are the topics for the girls in the all-purpose unit. —Bonnie Berkol

The Ink Splash sponsored an Easter homeroom decorating contest, which was judged by Mr. William Ladd and Miss Jane Ward. Winners were announced Wednesday in the April edition of the paper. In the seventh grade, winner was homeroom 214; eighth grade winner was homeroom 240, and ninth grade winner was homeroom 200. Each winner received a box of candy for their hard work and success in the contest. —Emily Minor

Derby junior high school presented an assembly for the Barnum students Wednesday. The program was part of an exchange assembly program set up by the two schools.

All of the classes in Barnum have been writing papers. The papers will be graded in conjunction with schools all over the United States.

Michigan ranks first in the nation in percentage of income derived from manufacturing.

Hi! BIKE PILOTS!

As a cycle pilot you must obey the same laws as a motorist.

Take a pledge to follow these common sense rules:

1. Learn and obey all traffic regulations.
2. Keep your bicycle under control—no weaving or stunting.
3. Ride on the right side of the street—move with traffic and stay close to the curb.
4. Give proper hand signals when turning or stopping.
5. Don't carry riders. They block your vision and throw you off balance.
