

REPRESENTING more than 300 girls who sewed for the Junior Needlework Guild of America are Janet MacAdam of Brownie troop 506 of Pierce school (left) and Julie Bennett of girl scout troop 574 of Vaughan school.

Girl Scouts, Brownies Sew for Needlework

More than 300 girls, Brownies and Girl Scouts of Birmingham and Bloomfield Hills, turned in 745 articles, which they had made at an ingathering for the Junior Needlework Guild of America, a gain of 667 over the number turned in last year.

The receiving blankets, crib quilts, diapers, bibs, stocking dolls, sacques, nighties, wash cloths, skirts, mittens, knit hats, scarf hats, felt caps and bean bags will be sent to the needy of South Oakland county through the Red Cross. "Do-it-books," containing zippers, snaps, buttons and shoe laces, will be sent to the children with muscular dystrophy.

Birmingham, Bloomfield Hills, was chairman of the program and Mrs. Robert Woodruff of Puritan took care of the distribution. Assisting them were Mrs. George Davis, Mrs. John Dietz, Mrs. W. Edwin Mosher, Jr., Mrs. E. E. Hammond, Mrs. James Neal, Mrs. C. B. Harmon, Mrs. Bethel Kelley, Mrs. Robert Woodruff, Mrs. Don C. Neill.

MRS. J. W. Shenfield of Bon

Announces Engagement

Engagement of Elizabeth Ann Leland of Colonial court to Daniel H. Ross was announced at a family dinner at Orchard Lake country club. The bride-elect is the daughter of Mrs. Virginia Braun Leland of Bloomfield Hills and Robert C. Leland, 316 Colonial court, Birmingham. Daniel's parents are Mr. and Mrs. William H. Ross, 820 Colonial court.

Elizabeth, a freshman at the University of Michigan, is pledging Collegiate Sorosis.

Her fiance is attending Wayne university where he is affiliated with the Arab fraternity.

Plenty of hot water with

DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE

EASTER SUNDAY IS ONE of those days all of us like to be with our loved ones. A thoughtful, personal way to remember those who are far away on Easter is with a Long Distance telephone call. Your voice over the telephone will be welcome as Spring. And it will cost

you very little. For a dollar or less you can call places a day's drive away. The usual low "after 6 p.m. or all day Sunday" rates apply all day Easter. Make a list now of those you want to phone a "Happy Easter."

HAVE YOU NOTICED

how much more color there is around today? Even familiar objects, the telephone for one, have colorful new personalities. We have a talk on the subject called, "Color Comes Calling," that's available to clubs. In an entertaining 30 to 45 minutes, the audience learns a lot about basic color rules and popular color schemes in decorating. You'll hear how to use your color ideas, too. And men like the show as well as women. If you'd like to know more about "Color Comes Calling," call our Business Office.

FOR FORTY YEARS, Michigan Bell has given Red Cross First Aid Training to many telephone people. It has proved invaluable on many occasions. For example, a doctor's recent letter to us concerning an auto accident said: "It is entirely possible that a young lady involved owes her life to your employee. Your organization is to be commended for having such a person, and to have had a hand in his training in such an important matter as First Aid management of accidents." Telephone people in this area are naturally proud that so many of their fellow workers can perform such deeds.

New 1957 Electric Water Heaters built to Edison's specifications, plus Edison's new Super-Supply Plan, give you more hot water, more economically

Here's good news from Detroit Edison. Now the safest, most dependable water heaters on the market are available at prices anyone can afford. With Edison's new Super-Supply Plan and the new type electric water heaters you can get plenty of hot water for just pennies a day.

New type heaters for new economy Detroit Edison joined with appliance manufacturers to bring you these new electric water heaters—built to Edison's own rigid specifications, backed by Edison service.

Completely redesigned, the 1957 heaters have two heating elements, one near the top, the other near the bottom. Both have greatly increased wattage. Both operate completely automatically. Result—hotter water, faster! In fact, you get more hot water than ever before from the same size tank.

What is Edison's Super-Supply Plan? For still greater economy, Edison is offering a new water-heating service plan. This Super-Supply Plan makes available abundant hot water at a surprisingly low cost. Think of it—all the hot water you need for just a few pennies per day.

Only Electric Water Heaters offer so much

In addition to their fast heating ability, electric water heaters offer many other important advantages. Of course, they're the safest water heaters ever built. There's no flame to worry about. No odor from fumes. Because they require no flues, electric water heaters can be installed anywhere—even in the kitchen or utility room. And excellent insulation makes the new models cool, top to bottom.

You can be confident that with an electric water heater you have done another job better, electrically.

Reddy Kilowatt invites you to check these tremendous advantages of ELECTRIC water heaters before you buy.
