MEL LAZAREWICZ (standing) was soloist for the Jewel Ballet put on by the Mortenson school of dancing and the Rockettes from Barnum junior high school, played a major role in the program presented last week at Villa Francisca. Under the direction of Mrs. F. W. Limes of Lakeside, chairman of music in homes and hospitals, the programs are sponsored by the Birmingham Musicale. Also on last week's program were The Grapes, a calypso band, The Baker's Dozen, an accordionist, Tom Allure as vocal soloist, and the history of dancing put on by Arthur Murray studios.

Delta Zeta's To Get Charter

More than 500 women from Delta Zeta college and alumnae chapters in Michigan will attend the Provincial Convention April 26-27 at Kalamazoo College in Kalamazoo, Mich. The convention has special significance for Delta Zeta women in this area as their National Council will present a charter to the Oakland Alumnae group of Delta Zeta at this time. Representatives of the group present for this event will be Mrs. George W. Betser, Jr., Mrs. Joan E. Esner, Mrs. Richard E. Goodwin, Mrs. Winfield C. Hummer, Mrs. Robert A. Kerby, Mrs. Cecil M. King, Mrs. William Koontz, Mrs. Earl P. Long, and Mrs. Donald C. Simer.

During the program besides national officers as speakers are discussion groups and work-shops for various interest groups, with women of the Birmingham area serving as leaders of some of them. Mrs. William Koontz, Delta Zeta Oakland

**Stephanians
Entertain
For Tepolians**

Some 50 friends and relatives of Mr. and Mrs. Oscar Tepolian of Pontiac were invited to a party in their honor Saturday evening by the John M. Stephanians of East Highland, Northfield township.

Oscar was a going away party for the Tepolians, who are on a 14-month tour, and also the celebration of their tenth wedding anniversary.

Following the cocktails, buffet and evening party, guests went to the Stephanians' home for break fast.

ALL YOU NEED TO DO IS TELEPHONE

For Low Cost Professional Service—When you use Fertilize Lawn and Garden Service, the following essential chores are DONE RIGHT, by certified experts, at low cost.

LIMING: If your soil shows high acidity your Fertilize Lawn Expert literally "paints" your lawn with fine, high-magnesium lime to correct the soil pH (Acid-Alkaline balance). If your soil is too alkaline the same method is used to apply sulphur.

FERTILIZING: Fertilize uses specially designed fertilizing equipment to feed quickly essential mineral elements to every root and stem of grass... every flower, vegetable, shrub—evenly, thoroughly, scientifically. The exclusive treatment can turn lawns greener in 36 hours!

INSECT & PEST CONTROL: Control pests, insects 3 ways—in air, on foliage and grass, and under ground. Deadly new insecticides and pesticides kill all common insects—ants, mosquitoes, flies, aphids, spider mites, Japanese beetles, rodding moths, which bore, army worms, chiggers, drive out root maggots, mole crickets—even meek, controls up to 105 of the most destructive insects, pests—some for up to five years.

FUNGUS CONTROL: Treats Black Spot on roses, Leaf Spot on mimus, Rust on snap dragons—with modern, fast acting water soluble chemicals—Leaves no messy powder residue. Fungus Control System also treats effectively Straw, Nonty Blotch on Apple Trees—Brown Spot and "Dollar Spot" on lawns.

WEED KILLING: We kill 85% of your weeds or you don't pay us. Latest herbicides used in exact proportions with equipment specifically designed for this purpose. SAFE-WEED boom has totally enclosed nozzles. No "wind-drift" damage to flowers, shrubs and ornamentals as occurs with do-it-yourself gadgets. Our weed treatment causes dandelions, chickweed, plantain, buckhorn, etc., to start to wither in 48 hours—within two weeks they are completely gone—no damage to grass.

FULL INSURANCE COVERAGE!

TREE FEEDING: We inject 14 element complete Fertilize Plant Food under high pressure, with water, to a depth of 2 1/2 ft. below surface. Entire root area is permeated with instantly available food. Most trees die of malnutrition. Why not assure the life and beauty of yours? We often can save sick or dying trees worth hundreds of times the cost of the service.

SEEDING: We can completely seed or reseed your entire lawn in minutes—hydraulically, using best premium seed—spreading it with absolute uniformity over the area. Seed is simultaneously soaked in starter fertilizer solution. One-half the seed required of old methods. Germination is faster—more certain.
