### LET US HELP

Maybe, but will you have the money to send your pint-sized scabback to college. Same goes for daughter. It now costs at least \$4,000 to send a youngster through school. At our current rate of 3%, Birmingham Federal would pay for almost a full year's education if you start a savings account early. With your regular savings and our 3% current rate, you can swing it easily. The chart below shows you how to help him make the team.
