Schedule Exhibit By Art Association Summer Workshop

A student exhibit by the summer workshop of the Birmingham Art Association will be held this month at the Audubon Historical Society's 310 N. Woodward gallery.

The exhibit is planned for this Friday, Saturday and Sunday and will run for August 10 and 11 and Part 1.

The closing exercises will be held in cooperation with the Lakefront Board of Directors.

Local Teacher Participates In Workshop

Keaney Whitney, art teacher, was one of the artists participating in the art workshop at the Audubon Historical Society.

The workshop was conducted by the Audubon Historical Society and is one of the school's educational activities.

The Most Potent Crab Grass Killer on the Market Today

CRAB GRASS

KILLS

ORTHOL Liquid Crab Grass Killer

Throw your crab grass in the waste basket. It's a hard job keeping those pesky little roots from growing back. But...with ORTHOL Liquid Crab Grass Killer, you can kill them once and for all! Just spray around the base of the grass and the roots are killed. When the grass dies, it will soon disappear. No more crab grass to worry about.

Done...quick as you can say Waring Ice Jet

There are a hundred uses for crushed ice, but only one way to produce all you want in a jiffy—the Waring Ice Jet ice-crusher attachment for your Waring Blender. Just think of this: the Waring Ice Jet crushes up to four trays of ice cubes in ninety seconds. Right there you have all you need for any purpose—drinks, chilled salads, buffets, hors d'oeuvres, desserts. A remarkable device—and so easy to use for a hundred uses. Specify the Ice Jet by name: Waring!
