Presbyterian Youths Attend Church Camps

This has been a busy summer for more than thirty junior and senior high youth groups from First Presbyterian Church who have attended church camps and conferences the past two months.

Julie Moore was one of sixty Presbyterian youths from Michigan who represent high school youth at the Westminster Foundation Camp at Snook, near Friend, Nebraska.

THE 580 DELEGATES included representatives from every part of the United States as well as from Alaska and Pacific Asia.

In addition, there were thirteen foreign representatives from Brazil, Canada, Denmark, France, Iceland, India, Italy, Japan, Netherlands, Norway, Sweden, and Switzerland.

Future programs included a panel meeting with a 2000-man audience, a Sunday Service, and a special address at the United Nations by Dr. Paul Coman, foreign president of the UNESCO of South Africa.

No place camped at Greenville, which played host to the groups, was without its own special high school and junior high campers participating in the sports and activities of the camp.

Other campers from the groups were Sue Ernie, Iona Kenny.

SUNK ISLAND

It is always a pleasure to discover a new and beautifully written book. Based on a personal experience in the Bahamas, this novel takes us from the Bahamas to the Caribbean, from the Bahama Islands to the Virgin Islands, from the Virgin Islands to the Caribbean, and finally to the Bahamas. The story of a man who has made it his mission to find a special place on Sunk Island, a deserted island, captured the imagination of the reader, and kept him engrossed from start to finish.

5 out of 10 Smaller Cars wear a Pontiac Price Tag

--yet none gives you any of Pontiac's Advantages

PONTIAC GIVES YOU UP TO 8.5% MORE SOLID CAR PER DOLLAR.

Not one of the smaller cars can give you the luxury, the road-hugging height and solid security of America's Number One Road Car, PONTIAC GIVES YOU 4 TO 7 MILES MORE WHEELBASE.

Here's extra length where it counts-- to bracket the bumps instead of riding them! And this extra length shows up inside, too, with plenty of stretch-out room for six SFI sons.

PONTIAC'S PERFORMANCE TOPS THE REST: THE SMALL CARS CAN OFFER BY A WIDE MARGIN.

Your Pontiac dealer can give you a complete series of pictures comparisons and an on the road test to prove that Pontiac performance stands head and shoulders above anything in the low-price field.

AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADES-INS!

So why not look and feel like a million -- instead of a million others?
