**Barbecue Dinner Honors Parents' 51st Anniversary**

Mr. and Mrs. Charles Bricker recently entertained at a family barbecue dinner honoring the 51st anniversary of their parents, Mr. and Mrs. Mead Bricker of Lovells, Mich.

The Brickers' four children, Nancy Chick, Mary Ann and Sally, and Mrs. Bricker Sr.'s sister, Mrs. John C. Sutherland of St. Petersburg, Fla., and their son and his wife, Mr. and Mrs. Marley Bricker, were among those present.

The Charles Bricker family, mother and dad and four children plus Bebe, the poodle, have just returned from a few days vacation last week at Twin Bridges, the home of her parents, Mr. and Mrs. E. W. Gerhard at Lovells, Mich., on the north branch of the Au Sable river.

The Gerhards are formerly of Birmingham and have chosen Twin Bridges as their retirement home. While there, they made some side trips to Hidden Valley, Mackinac City, and to see the new Mackinac bridge. Mead L. Bricker is one of the Mackinac bridge authorities members.

Linda Robeson, 17-year-old daughter of Mr. and Mrs. H. C. Robeson of Overhill, has returned from Camp Bryn Afon at Rhineland, Wis., where she was a counselor in training in swimming and sailing this summer.

Linda will be a senior at Birmingham high this fall. Their son, Scott, 12, was at Camp Ne-Kana near Manistiquette for four weeks this summer. He will return to Country Day school this fall.

Janet Brookman, daughter of Mr. and Mrs. A. W. Brookman of Broadway boulevard is back from seven weeks at Camp Crystalline for girls on Crystal lake near Frankfort.

She enjoyed the many camp-outs and a canoe trip overnight for two and one-half days at Manitou island.

Mr. and Mrs. A. F. Brookman spent last week at Portage Point Inn, Portage lake, Ontonagon. From there they went to Crystal lake to pick up daughter Janet from camp.

Many and varied summer experiences are being told in the home of the Robert F. House family these days since they are all again assembled from their vacations.

Mr. and Mrs. House and oldest daughter Carol, 16, motored to the west but visited Jeanne, 12, and Bob, 14, in their respective camps.

Their first stop was at Camp
