Pirate Theme Is Highlight Of Birthday

VALLEY WOODS—Quite an air of expectancy was felt by 14 little guests upon receiving their invitations to the "Malmel's" fourth birthday party with instructions to come dressed as a pirate.

The year they brought the "most" had happened when a western party was given with a real five pony there for all the rickies wanted.

This year's party was planned for the backyard, but with the rain, the garage made an ideal substitute. JC's dandy Jack Malmel had discovered somewhere an old relic of a boat—so hence the pirate theme.

THE BIRTHDAY TABLE had a pirate cake with banded treasure chest on top for a centerpiece, and hats, plates and napkins were fit for any pirate.

Little pirates were Cathy and Johnny Herrold, Amy Thompson, Freddy Wertman, Ricky Walker, Kathy Tallinger, Jeff Taylor, Barbara and Jimmy Howell, Paul and Amy Christensen and Jim and Bobby Damman.
