Not only does it provide one with a livelihood, and society with a variety of goods and services... but WORK keeps mankind marching steadily over that long road that leads from famine and poverty toward abundance.

Pool Is Do-It-Yourself Project

Walter Herdrichs Entertain Guests

NOW, after three months, the 18 by 36 foot aqua colored pool with its underwater lights and aqua walk framing the edge of the pool, fashioned after the Ester Williams pool, is completed.

Looking back on his do-it-yourself project Morse says, "I realize it was worth every bit of the trouble each time I dive in for a refreshing swim."

Mr. and Mrs. Walter F. Herdrich, 3866 Wedgewood, Birmingham, recently entertained the J. E. Bartholomews of Birmingham and Mrs. Bartholomew's sister, Mrs. William Hopkins of Palm Springs, Calif.

The Bartholomews and their guests then left Thursday for Lake Wawasee in Indiana.
