Goodfellows End Vacation At Torch Lake

WING LAKE — Mr. and Mrs. David Goodfellow of Worlington road returned last week from a three-week vacation at their northern summer home on Torch Lake.

While there they entertained houseguests from Birmingham, Mr. and Mrs. Roy Hard for about five days and Mr. and Mrs. Roy Kiefer for a weekend.

For the most part, they swam, sunned and boated.

However, they did one thing they have always intended to do—to take aerial pictures of their property. Renting a little flower-plane, they flew over Torch lake on a beautifully sunny day and shot several photos of their home and grounds.

THEIR INTENTIONS had been to take a commerical flight over the lake, but as they sat, tickets in hand, they learned that the plane had developed a flat tire and a rough engine and the one coming from elsewhere bearing repairs, had been hit on the air-field by a truck. Undaunted, they rented the private plane and had even a more thrilling experience.

Wing Lake School Recreation Ends

WING LAKE—The Wing Lake school recreation program ended July 30 with the children returning the next day to help with the cleanup and free ice cream.

Those of the all-day group, third graders and up, enjoyed an overnight the Friday before with the Eastover playground group at their grounds. They camped in the woods adjoining the school and had the good fortune to have the use of two swimming pools of private individuals nearby.

They cooked their supper and breakfast in the open.

THE FRIDAY before the last week, Eastover children were guests of the Wing Lake group. In the morning they had a treasure hunt and in the afternoon a play day on the Wing Lake grounds.

Thus ended a most successful season, the third year of the Wing Lake summer recreation program.

Pair Returns From Novena To Canada

ORCHARD HILLS — Mr. and Mrs. Walter Madrzykowski of Chamberlain drive have returned from St. Anne de Beaupre, Canada where they have been going annually since 1952 in pursuit of making nine-year Novena. Staying nine days each year, they will complete their nine Novenas in 1960.

St. Anne de Beaupre is located at the foot of the Laurentien Mountains, about 30 miles from the city of Quebec. They always go July 17 and leave after July 26, which is Feast day of St. Anne.

Every night there is a candlelight procession with thousands of people marching with lighted candles that have red paper shades. This is a most impressive sight. They wind along the paths of the side of the mountain and visit the life-size Stations of the Cross on the hillside. On Feast night, there were some 10,000 people in the procession.

In the procession is always carried the Relic of St. Anne. This is the actual wrist-bone of St. Anne who was the Virgin Mary's mother, the grandmother of Jesus. The bone is over 200 years old—a most remarkable relic.

THE CHURCH at St. Anne de Beaupre burned down originally, and since 1923, they have been building a new one. Next year, commemorating the 300th birthday of the church of St. Anne de Beaupre, there will be an extra large Feast Day and many more thousands of people are expected to make the pilgrimage. It is considered the oldest church in the western hemisphere.

People from all over the world come to St. Anne de Beaupre to be miraculously healed. Last year Mr. and Mrs. Madrzyowski observed a father of a large family healed from life-long blindness. He saw all of his children for the first time.

ASCENDING up the hillside of this Shrine are 28 wooden stairs commemorating the 28 stairs the Lord had to ascend in his Passion. These wooden steps have risers with glass set in them through which one can see many jewels of all kinds. The gems are given by worshippers and beneficiaries of the healing.

Chelmsleigh Social Briefs

Debandts Back From 5-Week Western Trip

WING LAKE FARMS—Mr. and Mrs. Edgar Debandt and children of Indianwood trail are back home from a five-week trip west. Leaving June 17, they motored over 9,000 miles and arrived home July 23.

On the way out they went by way of Davenport, Iowa, Denver, Colo., through the Rocky mountains, Las Vegas, Colorado Springs, San Diego and TiaJuana, Mexico. They also visited the Garden of the Gods.

After visiting friends in Los Angeles and Mrs. Debandt's cousin in Englewood, they visited friends in Pasadena where they particularly enjoyed breakfast in the mountains on the fourth of July.

THE CHILDREN were fascinated with their trip to Disney Land and Knott's Dairy Farm. They then travelled on to San Fernando, Monterey and San Francisco. In the latter city they stayed a few days and enjoyed the familiar tourist points of interest there.

Continuing their trip, they visited Bryca, Zion, Lassen Volcanic National Park, Sequoya Park, Yosemite, Hoover Dam and the Grand Canyon.

In Seattle Washington they met Debandt's brother and his wife, Mr. and Mrs. H. F. Debandt of Ladue, Missouri. With them they took a boat trip to Victoria, Canada where they visited the Buchart Gardens.

ENROUTE HOME they saw Yellowstone and Glacier National Parks, Crater Lake, the Black Hills, and the Bad Lands.

One of the most impressive sights they saw was Seven Falls Canyon at night. The seven falls are each lighted a different color and high above them, up the mountain sides, the pine are laden with Christmas tree bulbs and lights. It is a breath-takingly colorful sight.

They will always remember the mountain brush fire they saw in California and the remains of a forest fire. The devastation of these things was most impressive.
