Red-Light Runners on US-10 Are a Menace

THREE-HUNDRED checks were turn back at five of the seven stops on this road. A survey was made at the last inter- 
section on US-10 between Grand Trunk and the Ely-Mendota 
bridges in the city of Lansing. 

All of the red lights in the city were investigated and it was felt 
that the amount of traffic violation should be the greatest

MOTORISTS were given the benefit of the doubt. Drivers caught by the change without time to stop were dismissed. 

"It is an opportunity to bring attention to the
