Husband, Wife Plan Around Family Living

By FRAN MAIER

Jack W. Jirkling will be commuting weekends this month between his contemporary home in Birmingham, and Big Rapids, Mich., where his family is vacationing.

Mr. and Mrs. Jirkling and three of their children have moved into a new ranch house, which Mr. Jirkling designed.

The house is a ranch-style home with a two-car garage, two bedrooms, and a living area. The kitchen is equipped with a washing machine and a refrigerator.

The Jirklings' home is located at 609 Shadwell, Birmingham.

EXTERIOR OF THE ARCHITECTS house shows rhythmic design that comes with the modular system of planning. Entire south wall of the house is glass for unobstructed view. The Jack W. Jirklings' home is located at 609 Shadwell, Birmingham.

Your money grows...your community grows...
when your funds are working with us

More than a million pairs of hands are at work building new homes. And more than $8 billion in payrolls goes to these workers in a year.

By providing more than one out of three mortgages, America's Insured Savings and Loan Associations helped make this possible and made a major contribution to the nation's economy. Thus when you save with us, you help create jobs, help industry grow and help millions of families to own their own homes. And while your savings work for you, you enjoy utmost security, as they are insured up to $100,000 by the Federal Savings and Loan Insurance Corporation.
