**Franklin Social Briefs**

It's a case of spring fever at the Franklin grade schools. First and second graders are showing their colors in the kind of flower shows that would make the gardeners of old Benjamin Franklin blush with envy. The first graders are almost as busy as florists, handing out their bunches of artificial flowers to teachers and classmates. The first graders are almost as busy as florists, handing out their bunches of artificial flowers to teachers and classmates. The flowers are made of bright paper and pasteboard, and they are arranged in vases of cardboard.
