Death Is Loss To Fire Dept.

To the Editor:
If hard work on behalf of a community service is a fair measure of devotion to it, then the Franklin volunteer Fire Department lost its most devoted member and officer when Richard Kiefer died so unexpectedly last Friday evening.

The community should know that Dick, who worked too many hours a day and too many days a week at his business, regularly spent his few waking hours at home out-

standingly fulfilling the job of fire department treasurer.

With like devotion he attended communion, training and work sessions regularly and worked hard and earnestly at fire fighting.

All of us who worked with Dick Kiefer on this department will miss him very much indeed. The community should appreciate that our very great loss is his loss, too.
