BUSINESS BRIEFS

Building Permits Down in November

City of Birmingham issued 26 building permits in November for \$162,542 in valuation, compared to 36 permits for \$167,744 in valuation in November, 1956.

Eleven of the permits issued last month were for new buildings, both residential and business.

The total of building permits issued during the first 11 months this year was 484, compared to 500 during the same period last year.

Insurance Agent

Charles T. May, 2548 Buckingham, Birmingham, has joined the staff of the Manufacturers Life Insurance company in Detroit. May will act as the firm's agent in the Birmingham area. He formerly was in the printing business.

New Executive

Paul Romoser has joined the Jack Andrews realty staff, 964 E. Maple, as a vice president. Romoser has been in the realty business for some 10 years. Romoser says he chose the Birmingham-Bloomfield Hills area to work in because "I would like to represent people who are as demanding of fine homes, settings and community spirit as we have in this area."

TOTAL VALUATION for the first 11 months this year reached \$3,741,797, compared to \$4,367,020 for the same period last year.

Of the 11 new permits issued in November, two were for business buildings and the remainder for residential buildings.

The new business buildings will be located at 2305 E. Cole and 988 S. Adams. The building on Cole is being put up by North Chevrolet and is valued at \$20,000. The building to go up on Adams is owned by James F. Moore. It will be an office building with a \$75,000 valuation.

Open New Eating Place in B'ham

A new eating establishment has opened in Birmingham.

The new business is Rudin's Fine Foods at 195 W. Maple. The establishment formerly was Ricelli's.

Ben J. Rudin, manager of the new store, says a delicatessen counter has been installed in the shop to handle both inside and carry-out orders.

RUDIN SAYS the store has been extensively remodeled and that almost all new fixtures have been installed.

He adds that a catering service also has been established and that orders will be delivered by the firm to homes desiring such service.

The store is open from 8 a.m. to 8:30 p.m. every day except Sunday. Rudin says the store also will be open on Sundays but that no specific hours have been set as yet.

Opens Gas Station

Cecil Cooke, 21391 Wallace, Southfield, has opened a new service station at 14 Mile and Middlebelt roads in Farmington township. Cooke, who will manage the five pump station, will be assisted by two helpers.
