

**Something for the Children**

The Kay Baum shop, 162 W. Maple, thought it would be nice to do something for the area's children this Christmas. The shop decided to decorate its back window as a French pastry shop with children-size figurines going through the motions of making pastries. The result was an appealing display to which area children have flocked, returning again and again, often with their parents.

**Bottles and Baskets**

Standing among the many bottles and baskets which mark his distinctive new Bottle and Basket Shoppe is Harry Singer, owner of the unusual new shop at 4081 W. Maple near Telegraph. Singer, who has been active in the business world since 1927, opened the shop Nov. 25. Specialties of the shop include a wide selection of wines, rare candies and nuts and gift baskets in all sizes.
