

Skates Traded By Young Boy

FRANKLIN—At the Franklin Community association's skate exchange Saturday, winter sport equipment changed hands finding new owners for last year's sizes. Dick Bernard reported a golden moment for a small boy who patiently waited all morning but finally traded off a pair of his ice skates for a smaller pair of girl's skates which he wanted for his little sister.

The youngster sat quietly clutching his skates, watching hopefully as traders came and went, shyly approaching each likely prospect. The morning trade ended and he hadn't made a deal until the very last moment a father of several little girls walked in with just the right size skates and a deal was consummated.

Bernard said that although there were many satisfactory trades that morning none of them equaled the sheer joy expressed in the boy's face as he hugged the tiny white girl's skates under his arm and headed out the door.

Paper Drive Set by Scouts

FRANKLIN—Advance notice is being given Franklin households to bundle and save their magazines and newspapers for the Boy Scout Troop B-11 paper drive which is scheduled for Jan. 25.

John Runney, committee member, asks that residents keep this date in mind, encouraging them to save their store of papers on more month so that the troop will have a full load for the trailer which will be parked in the village trash day.

Gifts for Children

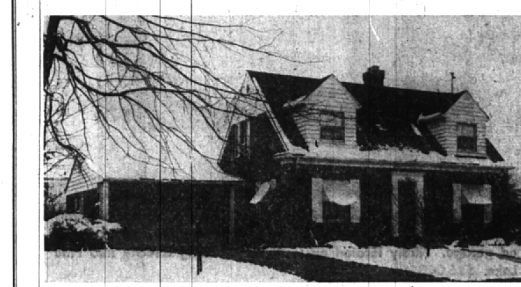

FRANKLIN—Pack B-11 cub scouts will meet in the multi-purpose room of Franklin school at 8:30 tonight to hold their monthly pack meeting and bring dollar gifts wrapped and designated for boy or girl. The gifts will be distributed to children in hospitals.
