## Thanks for the Memory

Every so often, we still pinch ourselves to make sure we weren't dreaming. What a wonderful, once-in-a-lifetime opening! So many faces, names and people. Guess just about everyone in Oakland County stopped by... the friendliest folks we've ever met, who really know how to make a fella' feel at home. We'd like to thank each and every one of you for your heart-warming reception and make you a promise for ourselves and the rest of the Wrigley family. The welcome you gave us won't ever be forgotten. And each time we see you we shall all try to return that extra bit of friendship, courtesy and service we've been shown the short time we've been in our new store.
