MOST MODERN, MOST INVITING

NEW RESTAURANT IN THE

NATION TODAY!

THEODORE ROGVOY, A.I.A., ARCHITECT

Dear Friends and Friends-To-Be,

I want to extend a personal invitation to every one of you to visit our new Greenfield's Suburban Restaurant.

In our opinion it is the finest new restaurant anywhere. Over two years were spent in designing and constructing the building. We selected Birmingham, in the heart of the North Woodward suburbs, as being the perfect place for a fine new suburban restaurant—an appealing, attractive locale most accessible to a majority of communities in the Greater Detroit area, and a pleasant drive to reach from any direction.

Years of planning and literally scores of years of experience in restaurant management have gone into making Greenfield's Suburban the most enjoyable kind of restaurant, the kind of comfortable, delightful place to eat you will want to visit frequently and regularly.

We are proud of our new building. We are proud of our organization that will staff the new unit, carrying on the Greenfield's tradition of excellent food and friendly, willing service at moderate prices.

We sincerely thank the suppliers and contractors who helped build Greenfield's Suburban. Finally, we thank you, the public, whose past patronage has made all this possible—and bid you WELCOME!

Sincerely,

*Jack Lawrence*
