JUST 16 SHOPPING DAYS TIL THE 25th

Time grows shorter every day—and soon those gifts will have to be wrapped and slipped under the Christmas Tree. You'll find a worthwhile host of suggestions at K. L. A. — and the wise shopper will start browsing right now.

THE ELECTRO-VOICE REGENCY III WILL BE A MOST WELCOME GIFT

Here is the perfect gift suggestion for the entire family — one of the famous Electro-Voice REGENCY III Loudspeaker systems. The handsome enclosure will take its place in the decor of any room—and the balanced, three-way speaker system will give you wonderful high fidelity musical reproduction. The system includes a 15-inch woofer for bass tones — a treble driver with horn for the mid-range—and a super-tweeter for the brilliant highs. Enclosures are available in Mahogany, Lined Oak Walnut. Priced from \$393.00. For the man who likes to build his own REGENCY III Enclosure, there are Electro-Voice Kits—all parts pre-cut—and easy-to-follow assembly instructions. The Kit—\$73.00 at K. L. A.

DO YOU ENJOY THE CONVENIENCE OF A K.L.A. CHARGE ACCOUNT?

It's very handy when ordering Records and Recorded Tapes by mail or telephone — and it's no problem to arrange for your charge account at the K. L. A. Office.

AMPEX STEREOPHONE SOUND

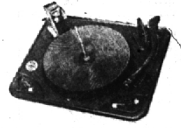

THE Caprice PORTABLE RECORDER-STEREOPHONE REPRODUCER
Good music and good fun go hand-in-hand when people gather to enjoy the excitement that only AMPEX True Stereophonic Sound can deliver. And the AMPEX Caprice is easily portable for at-home, outdoor or away-from-home pleasure. You'll take the Caprice everywhere—and you'll be so thankful for its rugged construction and precision engineering. Light weight, handsome to see. Two-speed recorder-reproducer with two separate speaker-amplifier systems. Provisions for single track recording from disc records, FM or AM radio, TV sound, from other tapes and "live" AMPEX Caprice—\$495.00. AMPEX Speaker-Amplifier—\$199.50. Complete system—\$694.50.

TO GUARD YOUR GOOD RECORDS. BEWARE OF THE BLUNT NEEDLE

Yes, indeed—beware of the blunt needle. If you who enjoy good recorded music. That sapphire or diamond stylus in the tone arm of your record player should be checked regularly—and they do it for you FREE—at K. L. A. Bring your stylus in soon—have it checked under the microscope—avoid record damage.

THE FAMOUS GARRARD DELUXE RC88 AUTOMATIC RECORD CHANGER

DeLuxe four-speed automatic changer—with full manual position. New turret-drive with one-piece pulley guarantees perfect speed without audible flutter, wow or rumble. Heavy duty motor. Famous GARRARD Pusher Platform—footproof and so gentle to your recordings. Plug-in heads take all popular phone cartridges. The RC88 is a most dependable automatic changer — highly suitable for replacement of older single speed players.

AFTER DINNER HI-FI BROWSING IS POPULAR AT K. L. A.

Choosing a good high fidelity music system for your home is much more than just a quick decision. You need time for a demonstration of various components—and you need time to ask a few questions. That's why so many folks go Hi-Fi browsing at K. L. A. after dinner. All showrooms are open 'til 9 o'clock every evening Monday through Friday.

HERE IT IS — THE FABULOUS MCINTOSH 60-WATT HI-FI AMPLIFIER

Here is the High Fidelity Amplifier for those who are satisfied with nothing short of perfection of listening to great music. The McIntosh "60" is without equal in brilliant performance—and in realistic musical reproduction. Full 60 watts of audio power—with tremendous reserve power for those grand musical peaks and crescendos. Frequency responses from 20 to 20-thousand cycles per second. The McIntosh assures hour-after-hour listening without listening fatigue.

Sherwood
FM-AM RADIO TUNER MODEL S-2900
The SHERWOOD S-2900—with the new Feather-Ray Tuning Eye. Here is the perfect running mate for the SHERWOOD S-100 Amplifier. Engineered and styled for the satisfaction of the most critical and style-minded music lover, the SHERWOOD offers features usually found only on Tuners costing much more. It has a built-in retractable rod antenna—and FM multiplex output—and a precision calibrated dial. Eleven tubes plus rectifier. Smartly designed—finished in Black, White and three colors. Priced from \$139.50.
