### Good Citizenship Awards Presented At DAR Luncheon

One of the highest honors a high school girl can receive, the Daughters of the American Revolution Good Citizenship Award, went Tuesday to Beverly Ford of Birmingham high school and Kay Fields of Clawson.

Sponsored by Piety Hill chapter, DAR, the awards were presented at a birthday luncheon in Oakland Hills country club.

The DAR conducts the good citizens program in high schools of all 48 states. Senior girls choose, by vote, three girls who possess to an outstanding degree the qualities of dependability, service, leadership and patriotism. From the three, the faculty then selects one who becomes the award winner for her high school.

Beverly, who makes her home with her grandparents, the Fred G. Ford, of 1540 Fairway, is very active in her school's student congress and the Cleopatra club. She's a member of the National Honor Society, Girls' Athletic Association and the Aganabell water ballet group.
