30 Trees Planted At Wing Lake

WING LAKE—The Wing Lake Farms Improvement association, a branch of the Wing Lake Farms association, with Mrs. Edgar Dehantl chairman, is involved in its present project of purchasing and planting 30 sugar-rock maples.

The project is in response to the need for shade trees throughout the Wing Lake Farms area. Through cooperation of a nursery, the group was able to get the trees delivered and planted with each property owner ordering and paying for the number of trees he wanted.

These are large trees, 25 to 30 feet in height which will readily provide shade.
