MRS. HARRY C. ZIMMER, JR.

### Honeymoon Destination Is Sea Island, Georgia

An exquisite Brussels applique lace veil flowed gracefully over the court train of Barbara Jane Bertling's wedding gown as she walked down the aisle of St. Hugo-of-the-Hills wedding Saturday to become the bride of Harry Charles Zimmer, Jr.

Chosen by the bride when she visited in Belgium, the veil was a perfect complement to her princess styled gown of candlelight pea de sole. Accents of Brussels applique lace were used at the gown's portrait neckline, bodice and three quarter length sleeves. A bouquet of white roses and bouvardia completed the bridal picture.

BARBARA, daughter of Mr. and Mrs. Lee A. Bertling of 608 Ardmore drive, Bloomfield Village, and Harry, son of the H. C. Zimmer of Jersey City, N. J., repeated their wedding vows before Rev. Francis T. Staek. The noon ceremony was witnessed by 250 guests.

Jane Moore Bertling was her sister's honor maid. Her ballerina length frock was fashioned of peacock blue pea de sole, designed with portrait neckline three quarter sleeves and bouffant, bustle back skirt.

She carried a miniature basket filled with pale yellow daisies, yellow roses and bouvardia, matching the flowers on her small sailor hat of yellow chenille straw.

THE NEW Mr. and Mrs. Zimmer left for a wedding trip to Sea Island, Ga., after greeting guests at a breakfast reception in Orchard Lake country club.

Barbara's going-away costume was a beige suit topped by a fur stole and accented with brown accessories. A tortoise shell buckle trimmed her beige straw hat and her corsage was of chartruse cymbidium orchids.

Milburn, N. J., will be their WEARING Identical ensembles home.

### Are you a victim of "shirt blousitis?"

Ever notice how some men, when they pass a mirror, stop and tug at their shirts...gather them at the sides so they don't fold over and give a spare-tire effect around the waistline? Somehow their shirts just never seem to look right. We've labeled this sad condition "shirt blousitis!"

And it's a condition that can definitely be remedied—by wearing one of our EXCELLO shirts.

EXCELLO hand-cut shirts that give every man a perfect fit...shirts that are truly a man's "form in fabric". Each is tailored just the way a fine custom-type jacket is tailored. EXCELLO takes away excess material across the chest to eliminate unsightly bulges and wrinkles...then adds it to the back where it's needed for fullness and comfort. Sleeves are set in at an angle to eliminate surplus material under the arms. The yoke is cut on an arc to follow the natural shoulder curves. EXCELLO's exclusive bell-front lap-over keeps shirt tails from riding up. Each shirt is carefully single-needle tailored, lock-stitched throughout. Each features large, firmly-anchored, ocean pearl buttons.

No other shirt gives a man such a perfect fit! EXCELLO shirts stay smooth and just-pressed looking...the shirt tail stays in...all day long!

For a new experience in shirt comfort and fit, we invite you to try on an EXCELLO shirt today!

### THE FRUCTIFYING of FEBRUARY

And, believe us it is no easy job to fructify a period of thawing freezes and freezing thaws. We really should quit trying to go south...but, then, there is old March 15th (or 31st) coming up so we will stick on the job and go on with our fructifying.

All those...or rather...two (2) of those persons who hate to wait several weeks for the loan of a fertilizer spreader in the spring may take advantage of our offer of two (2) used 30 inches wide BUCH spreaders. They were used for spreading fertilizer. The price was \$18.50 each but is now reduced to \$10.50. There is a "haggling factor" of \$1.50 either way. We try to get the \$10.50 plus and you can try to get the \$10.50 minus.

Rules:  
NO HAGGLING WILL BE DONE BY PHONE  
NO DELIVERY OF SPREADER WILL BE MADE...YOUR PRESENCE AND MONEY ARE REQUIRED...THE DEAL IS CASH ON THE SPREADER HANDLE.

The absolute QUEEN of all February fructifications is the growing of exquisite LILY-OF-THE-VALLEY from (of all things) LILY-OF-THE-VALLEY PIPS. Plant them in pots or boxes and watch them bloom in 2 to 4 weeks (unless you are out of fuel oil) (and if you are we know where you can get some good firewood.)

Take a bowlful home for breakfast or give them to a friend or even a relative.  
\$2.00 a dozen (well why not? They came all the way from Denmark!)

FERRY-MORSE seed catalogues are available on a pick-up basis. No charge.

Here's a good way to fill your evenings. While the Buachs are hatching and the pips are pipping you can search and select the seeds you'll soon sow.
