

Flint Couple Honored by Daughter On 50th Wedding Anniversary Date

Treasured memories, reminiscent of the joys and blessings of 50 golden years together, were observed New Year's day by the Wilbur Caverlys of Flint, at an open house hosted by their daughter and son-in-law, the Upton Brannacks of 13 Mile road.

From Los Angeles, Calif. came their daughter and son-in-law, the Robert Lawleys and their three sons. Their daughter, Mrs. Merrill Howerton arrived last week from Miami, Fla.

To complete the family circle were their son and daughter-in-law, Mr. and Mrs. Wilbur Caverly, Jr. and son from Detroit and the three Brannack children.

During the afternoon, some 60 guests from Flint, Dearborn, Detroit and Birmingham areas gathered to toast the honored guests with affectionate wishes of good fortune for many years to come.

An elaborate gold, white and yellow anniversary cake, set on a platform—the three tiers separated by white swans—centered the buffet table and was flanked with small baskets of yellow carnations, roses and mums.

In the evening a supper was held for members of the family.

On Sunday, the three-month-old son of the Floyd Hansens of Southfield was christened Lawrence Allen at the Puritan Heights Lutheran church in Detroit.

Guests at the christening dinner for the family included both sets of grandparents, Mr. and Mrs. Albert Attwood of Detroit and Mr. and Mrs. Fordyce Hansen of Dearborn.

Local Newcomers Greet New Year in New Homes

Local newcomers spent their first Christmas and greeted '57 in their new homes. Mark and Jayne Day who have moved into the former Carl Gerlofson home on Gilbert Lake road, met many new neighbors at the New Year party given by the John Piccus of Carriage road.

The Day youngsters are four in number—all healthy and fun-loving. Tina is 13; Sudy, 11; Marco, 9 and Stevie, 2½. Mark is a former Detroit; Jayne came originally from Toledo, Ohio.

Alma and Charles Pfister are newcomers to Querton road. They have a son, Charles, Jr., a student at Ohio State and Larry, 15, who attends Bloomfield high school.

The acreage the Pfisters owned back in Gales Mills, Ohio, makes them old hands at being suburbanites, with gardening a big interest. Charles Pfister is with Reynolds Metals.

Now it is the Raymond Speddings of Carriage road who are making plans to live elsewhere. They will make Jackson their new home by the end of February. Ray Spedding has been spending a good deal of time there getting the new home ready for the family.

Helen and Roy Pahl were relaxing last weekend in their Snow-shoe home after some extensive holiday entertaining. Margaret was home from school, and there were parties, of course, for her.

Several fathers of these youngsters worked mighty hard hauling thousands of gallons of water to the commons after building the rink.

Bill Gatenby, chairman of the project, spent unmet hours driving tanks full of water from the community well. Neil VanHalteren, Ray Darling and Harold Twitemeyer also worked on the water brigade.

The township fire department was most kind in making practice runs this way with more water. Many thanks, too, go to Sam Reeves for the loan of his tractor to haul water.

This year the rink is twice as large as last year and all Foxcrofters are invited to use and enjoy it.

The January meeting of the Foxcroft branch of the Women's National Farm and Garden association was held Monday, at the home of Mrs. C. D. Wessels on Sandy Lane.

Mrs. William L. Lowrie of Birmingham, state conservation committee chairman of the garden association, spoke on the proper use of Michigan natural resources.

Guests at the meeting were Mrs. F. Gordon Davis, president of the Birmingham branch, and Mrs. Charles Davidson, Birmingham branch conservation chairman.

Four-year-old Ann Coughlin, daughter of Mr. and Mrs. R. J. Coughlin, celebrated her birthday with a luncheon on Wednesday. The young guests who arrived accompanied by their mothers were Jan

Holiday birthdays are sometimes neglected or included with other festivities, but for Carol Emerman's fifth birthday, a special dinner party was given on Sunday afternoon by her parents, the Lev Emermans of Leemore drive.

Sharing Carol's birthday cake, decorated with pink roses and green leaves were her aunts, uncles, cousins, sister Loraine and her grandmother, Mrs. Alice Alexander of Detroit.

Newcomers to the South Berkshires are Mr. and Mrs. Bert Gladfelter and daughters Judy 7, and Sandy 5, formerly of Detroit.

Mr. Gladfelter is vice-president and secretary of Detroit Power Screw Driver Co. Both enjoy golf and bridge.

Mrs. Gladfelter is one of the soloists at the Westminster Presbyterian church and Mr. Gladfelter sings with the Orpheus Club of Detroit.

South Berkshire teen agers, junior high and up age group, are eagerly anticipating their first hay ride, Saturday, at Roys Ranch. If it snows—a sleigh will tote them.

The group will meet at the Marvin Cline home on Stellmar Road, at 115 park and east and ride will return to the Clines for refreshments.
