Charles Wytes to Vacation In West Indies Via Airways

With temperatures staying below the freezing mark with monotonous regularity, a Pan-American flight out from Miami headed down to the West Indies can be inviting, and the Charles Wytes of Oakleigh plan to make it.

They will leave Feb. 8. Daughter Carolyn, who attends Bennington college in Vermont, will accompany her parents. Traveler Carolyn gets a two-fold benefit from this trip: relaxation in the warm sun and credit toward that college degree.

Europe is wonderful, the Carleton Scotts of Lane Lake would be the first to admit, but they found nothing as much to their liking over there as old Mexico. So, Saturday they left aboard an air liner for sunny Acapulco. It will be four weeks before neighbors around Lane Lake see them again.

Dr. Kenneth Wood's family of Lone Pine Village, who took part in Cranford's opening ceremony for the school's new outdoor rink, were proud when the Detroit Skating club brought back the cup after competing for it in Buffalo. Dr. Wood is president of the club.

Young Sally Wells of Birmingham placed third in the Buffalo competition.

None of the Woods boys would be idle. Eight-year-old Timmy, who did a solo number on the ice at the Cranbrook opening, is busy practicing those exacting figure skating routines.

Bob and Dick's hockey team, the "Pewees," are in first place down at the Olympia. Sixteen-year-old Ken is planning to enter Culver Military Academy this semester. Ken will be the fourth generation of his family to attend school there.

Thorncrest's newcomers are the John Howings. They have a son Fred, 19, who attends Notre Dame; "Buzz," 14, a student at the Shrine High school in Royal Oak; and three Dick, 7, and Mark, 3. "Buzz" plays on the Birmingham hockey team, and plays basketball with the boys at Shrine high. The Howings moved to Thorncrest from Harmon in Birmingham.

Denny Moriarty, who attends Purdue, is leaving with a few
