**M&F Birmingham Open House**  
 More than 50 clients and business associates recently helped Mel drum & Fewsmith celebrate the official opening of its new offices at 1100 N. Woodward, Birmingham.

**A. W. Kurz Made General Manager**  
 Aluminum Industries of Cincinnati, Ohio, has promoted Arthur W. Kurz, Jr., 3871 Wedgwood Drive, Birmingham, to the position of general manager of Advance Plating, its Detroit subsidiary.

**Board of Directors Take New Member At J. W. Thompson**  
 John L. McQuigg, 1395 Willow Lane, Birmingham, manager of the J. Walter Thompson company office in Detroit, has been elected a member of the advertising company's board of directors, it was announced today by Norman H. Strouse, president.

McQuigg joined the Thompson company as a vice president in February, 1955. He was named manager of the office in June of that year, when Strouse was promoted from manager of the Detroit office to president of the agency.  
 Prior to joining Thompson, McQuigg was executive vice president of Lennen & Newell, and from 1956 to 1952 vice president and Detroit manager of Greer, Cornell & Newell. He is a director of the board of the United Foundation, and immediate past president of the Orchard Lake Country Club.

**Northover Farms Model Now Open for Inspection**

The passing of another of the old original family farms of Oakland County, the Vernon L. Patch property between Eastover Farms and Kentmore, is witnessed in the blossoming Northover Farms development of \$28,000 to \$50,000 homes built by Clifford A. Ross, 551 Argyle, Birmingham.

The late Mr. Patch, who was 97 at his death last year, was born in the home now standing on this Bloomfield township property. His widow and son, who reside at Hubbard Lake in the summer, still occupy the old homestead during the winter months.

**NORTHOVER FARMS** sweeps up westward from Adams road rising to curved streets, lots with nice trees, through an orchard, with a new grade school immediately across the road from the west end of the property.

The area is centrally located with respect to Birmingham, Pontiac, Rochester, the industrial corridor growing on Mound road, and is conveniently located near schools or has the advantage of school buses. The area also will be convenient to the new college development taking place in this area in the near future.

**CLIFFORD A. ROSS** has over the years worked at building up an organization of real craftsmen who take pride in their work and in the organization they are connected with.

His philosophy has been to adopt that which is best from both the conventional and the contemporary types of development; to hang on

**Moral: You're paying for a new car... make sure you get one!**  
 When you buy a new car, put your money on tomorrow—not yesterday. Swept-Wing Dodge actually obsolesces other cars in its field. Should you invest in high, box styling when Dodge offers the low, low look of tomorrow? Should you invest in outmoded coil springs when Dodge offers new Torsion-Aire Ride? Should you invest in an old-fashioned lever-type transmission when Dodge offers the ease of Push-Button Driving? In other things, too—engines, brakes, interiors—Dodge is years ahead. So put your money on tomorrow. See your Dodge dealer. Join the swing to the Swept-Wing Dodge!

An angry man is Sylvester T. Ely,  
 Who today was sold a piece of "blue sky,"  
 He'd stepped in a showroom—out of the rain,  
 Was sold a new car before he could explain!  
 How he hated the styling—so high and square  
 And in new features it was really bare.  
 "I got a real bargain—the buy of my life—  
 But how do I ever convince my own wife?"
