Bloomfield Villagers Busy On Vacations, With Guests

Mr. and Mrs. Drew C. Haneline of Bradway Blvd. and daughter Carol and niece Nelda Haneline of Fort Lauderdale, Fla., have returned from a six-week western trip. The family flew to Denver where they picked up their own car which they had driven there and motored for the rest of the trip.

They spent a week at the Broadmoor hotel in Colorado Springs. From there, they went to Estes park, Colo., where they stayed at Steeda ranch for three days.

Other three-day stops were Disneyland, Los Angeles, San Francisco, Yosemite and Yellowstone National park. They spent a day at Teton National park and then went on to the Black Hills.

At Milwaukee they boarded the Milwaukee Clipper for Muskegon and then home.

Nelda will visit with them for another week and then return to her Florida home.

Several women of the Village are playing this week in the Michigan Women's Closed Championship Golf tournament which began Monday at Orchard Lake country club and will end Friday. Miss Sally Sharp, of Birmingham, last year's winner, is this year's contending champion.

Bloomfield Village entries are Mrs. Robert Leahy of Bradway boulevard; Mrs. Sylvester Leahy, Rupp Cross road; Mrs. F. M. Adams, Overhill; Mrs. Chauncey Burke, Glengary circle; Mrs. Mar-

to the Jack J. Rinehart family during their recent month's sojourn there.

The family flew down and drove back so that they could show daughter Suzanne and son Tommy some of the sights enroute. Formerly, they've always flown both ways, so taking their time returning by car this time was fascinating for the children.

While there, they took a one-day trip to the Keys and enroute home they stopped to take in such sights as Monkey Jangles, Silver Springs and a short stay in the Smokies.

Their married daughter, Mrs. Gene Sobie and 9-month-old baby, of Dearborn, visited them at the Florida home for two weeks. Both the Rinehart children, ages 5 and 8, learned to swim well this summer and even the baby took to the water like a little fish, his proud grandmother reports.

Charles L. Erickson and son Ken of Morningview have returned from a visit to Bayfield, Wis. The Fourth of July regatta, which is traditional in this old fishing town, was one of the highlights of their trip.

Cheryl, daughter of Mr. and Mrs. Erickson, is spending the month of July at Huntington camp on Wallon lake. Cheryl, 11, is a veteran camper, having begun at age 7.

Jeff Fisher, 14, son of Mr. and Mrs. Robert J. Fisher of Bradway boulevard, and buddy Bill Purdy, also 14, are spending the summer at Camp Dudley on Lake Champlain in New York. The boys left the last of June. It is the second summer for Jeff at this camp and this year he is serving as a camp aide.

Lt. Commander Donald J. Fisher, brother of Mr. Robert J. Fisher, and his wife and son Donald will arrive as houseguests for a week July 29.

They will be their first visit to the United States in the two years since his assignment to London, England.

From here, they will visit in Chicago and then go on to Seattle, Wash., where they formerly lived.

Weather didn't stop the Frank E. Ostrow family from having fun at Hubbard lake in northern Michigan. They enjoyed sunning and swimming for a week. Ostrow did a considerable amount of fishing with his top catch for one day's efforts, 50 perch.

Mrs. Ostrow's mother, Mrs. Margaret Crystal, who makes her home with them, is now in Scotland on a five-months' visit with her two sisters who live there. She left the day after Easter and will sail for home Sept. 28.

LOOK AT THESE AMAZING FACTS from LITE VENT

NATIONAL AIR CONDITIONING COUNCIL REPORTS: ALUMINUM AWNINGS CAN REDUCE AIR CONDITIONING COSTS 30%

SUN-CONDITION YOUR HOME

It's a fact! When your home is 100% sun shaded with Lite Vent Aluminum Awnings, you can save up to \$12 a month in the summer ... up to \$3 a month in the winter ... on your air conditioning and heating costs. Even without air conditioning your indoor temperatures can be reduced up to 15°! These are the facts, mom, not the facts as reported by the National Air Conditioning Council after an extensive 12 month study.

The yearly savings you enjoy in your comfortable Lite Vent "sun-conditioned" home more than pays for these durable, roll-coated baked enamel finish aluminum awnings that never chip, crack or peel. Concave, convex or straight ... which ever style you prefer Lite Vent has it in unlimited varieties of 14 decorator selected colors to harmonize with any architectural motif. Adds resale value to your home, too.
