**Modern Equipment Makes Gardening Fun**  
 By ALICE WESSELS BURLINGAME  
 Special Writer for The Birmingham Eclectic

Modern equipment makes gardening a lot more fun and a great deal quicker when you have an assignment. Remember to work on areas of your yard "in packages" rather than sprawling your equipment all over the place. This psychological approach keeps giving you a feeling of achievement.

When you are feeding or controlling weeds in a lawn, it has been found by the U. S. Testing Company that it is four times faster on a given area to use a sprayer than a hand sprayer.

A LAWN should be given fertilizer every sixty days. We all sort

**City to Free Five Lots on Abandoned Derby Well Site**

Five lots at the site of an abandoned well at the southeast corner of Eton and Derby roads, Pomfret Manor subdivision, will be appraised and offered for sale, Birmingham city commission has decided.

All equipment at the Derby well site has been removed by the fire department since the well was abandoned several months ago. The department of public works has removed the building and pipe connections. The casing is to be cut off 12 feet below ground. Work is expected to be completed within two weeks.

 NOTICE TO PROPERTY OWNERS  
 LAKE PARK SEWAGE TREATMENT PLANT

The City of Birmingham will meet Monday, June 17, 1957, at 2:00 P.M. in the Municipal Building to consider certain improvements along the west side of Lake Park. The improvements consist of the creation of a special assessment district, created to defray the cost of construction of a storm sewer along the west side of Lake Park, from the intersection of the street with the street to the intersection of the street with the street. The Commission proposes to create a special assessment district to defray the cost of this construction and said special assessment district shall consist of the following described property:

Lot 218 in Quarter 4, Lake Estates Subdivision T 2 N R 10 E Oakland County, Michigan.

Plans and estimate of cost of this project are on file with the City Clerk of the City of Birmingham for examination by the public. Individual assessments are not available. They will be computed by the assessor after June 17, 1957. If, by the necessity for this improvement, it is established by the Commission, and there will be another public hearing scheduled for the purpose of reviewing the assessment.

**HOW THE PROFESSIONAL CLEANS WALL-TO-WALL CARPETS!**

Whether it's your children's playground or just an expensive investment, you want the protection, the security of total cleanliness — you want your carpets "deep-clean."

WALL-TO-WALL CARPETTING can be cleaned right in your home. Our careful craftsmen use only the most efficient machinery available to give your carpeting "owner care."

FIRST, your carpet is thoroughly vacuumed with a powerful commercial type vacuum to remove all loose dirt. Then every fiber is scrubbed with a nylon, rotary scrubbing machine, using a neutral, synthetic detergent; foam. Again, it is vacuumed to remove every last trace of dirt and all excess foam. The pile is brushed with a professional pile brush, to give your rug a uniform, finished appearance, and prevent shedding. All your furniture is moved and then, after your rug has been cleaned, is put back in place on polyethylene pads so that you can live in your rooms right away.

To find out how inexpensive beautiful, bright, fluffy carpets are to maintain, all you have to do is call TW 1-2922.
