## Flower Arranging Group Stages Mock Flower Show

Members of the flower arranging group of Birmingham branch of the Woman's National Farm and Garden Association staged a tea and mock flower show Monday at the home of Mrs. George Chesley, 5775 Gilbert Lake road.

The 20 members of the group have been meeting once a month to learn flower arranging from Mrs. Chesley who is a nationally accredited judge. The group presented her with a ceramic tile vase in appreciation.

Judged worthy of blue ribbons were the arrangements created by Mrs. Nelson Miles, Mrs. Robert Watt, Mrs. C. W. DiFietro, Mrs. Robert Fowler, Mrs. Phillip Debeaubien, Mrs. F. C. Wolfstrom, Mrs. James Hastings, Mrs. John Murphy and Mrs. A. S. Ebersole.

Mrs. Chesley carried out a pink color scheme for the event, serving pink tea and using pink pennies throughout the house. Some of the floral arrangements had obvious faults so that she could point them out to the class, and discuss how to eliminate them.

## A Year in Germany

Mr. and Mrs. Robert R. Hutchison of Beaconsfield drive, Southfield township, set sail from New York recently aboard the S. S. Nieuw Amsterdam, bound for Europe. They'll spend a year in Wiesbaden, Germany, where Mr. Hutchison, a consulting engineer for General Motors Corp., will be stationed.

## Newcomers To Elect

Radio commentator Bud Guest of the Birmingham Newcomers club at a luncheon June 20 in Birmingham Community House, is scheduled to speak to members. Election of officers is also slated.

Chevrolet shows you some important differences in low-priced cars just by

# the look on its face!

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only

car in its field with a lacquer finish . . . that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?
