LATHRUP—According to the Lathrup Police Youth Recreation Department, Inc., Lathrup will have the biggest display of fireworks in Michigan July 4.

Bigger and better than last year, the 30-minute show is scheduled to start at 8:30 p.m. July 4, or at the same time July 5 in case of rain. It will be held at the Lathrup recreation area.

ALL PERSONS driving to the show are requested to use the entrance at eleven Mile road and Rainbow drive. All other streets will be closed. Walkers, however, will find the recreation area has been mowed and sprayed for insect control. A force of 27 police will be on duty to keep traffic moving. Because of their previous experience, explorer post LC-1 has been asked to assist police.

## FAMILY PASSES
