Pembroke, Torry School 6th Graders Attend Camp

The sixth grade children of the Pembroke and Torry schools experienced a five-day camp-out they will long remember. This was the first trip of this kind for the children at Pembroke, with many of them from the North Adams area.

Three buses left Torry school two of them filled with children and the third with luggage Monday morning, June 10. Their destination was Proulx Lake Recreation area, located between Walled Lake and Milford.

Their days began in a number of different ways. Some took tours around the grounds with conservation officers while others learned the art of archery and rifle shooting. Then there were art classes, nature study and first aid. The children also did KP duty and helped the two cooks. The dining room in the main lodge was the "hub" with the boys' and girls' dormitories flanking it.

EACH EVENING the group met in the main lodge or around camp fires and told or read what they had written themselves, of the day's activities and experiences. Talent shows were greeted with much enthusiasm.

The teachers on the trip were qualified personnel. Those from Pembroke were Charles Palmer, principal; Miss Dorothy Benton, sixth grade teacher; Miss Frances Curtis, nurse, and Miss Sally Sparkman, art teacher. From Torry came Donald Burin, Howard Summers, Wilfred Hintz and Miss Lelia Hudson.

There were many anxious and lonesome parents waiting for the buses to pull into the Torry school on Friday evening, June 14. Stepping off the buses were eager, smiling, happy faces of children who had had a grand and glorious five days . . . campin' out!

The Bruce Booths of Parklane attended their son Richard's graduation at the University of Michigan June 16. He was graduated with distinction and honors in political science.

On the same day he received his commission in the U.S. Army as a second lieutenant.

The Booth's son John left Saturday for a visit with his aunt and

have been planned for the busy week.

The George Joneses entertained a group of friends at their dining room home on Saturday evening, June 15. The honor guests were Dr. and Mrs. Robert Jones of Milwaukee, Minn., relatives of Mrs. Jones. The couple are newlyweds and were former Royal Oak residents. The guests gathered around the piano for a song fest, played the game of name bingo and made a tour around the Jones most interesting. A buffet supper was served.

Guests from North Adams were Mr. and Mrs. David DeWitt, Mr. and Mrs. Douglas Clark, Mr. and Mrs. Tony Spina, Mr. and Mrs. William Dewey, Mr. and Mrs. William Benton, Mr. and Mrs. Robert Boyer, Dr. and Mrs. Henry Kazlarian, Mr. and Mrs. Roland Diemar and Mr. and Mrs. Sherrill Simpson. Other guests were Dr. and Mrs. Edward Gates, Mr. and Mrs. Walter Koch and Dr. James Gell.

Mrs. W. D. Cowgill of Manor road entertained 20 guests of the alumni chapter of the Birmingham group of Delta Delta Delta at a luncheon yesterday afternoon at Forest Lake country club. It was the sorority's final meeting of the year.

The Lavoy Fry family of Grand Rapids have moved into their new home on North Adams road in the Wendover subdivision. Their four children are Ronald, 10, Richard, 7, Marilyn, 4, and Michael, 3. Fry is a division manager with Lie-

bert and Meyers, Detroit. Golf and gardening are among their interests.

The Anthony Walters, formerly of Royal Oak, are getting settled in their new home on Valley Vista road. The Walters have three children, James, a graduate of Notre Dame with a degree in mechanical engineering; Daniel, a junior at

Notre Dame, and Kathy, a student at Shrine high in Royal Oak. The family are sports enthusiasts.

New residents on Bloomcrest drive are the Sam Vettrinos of Royal Oak. Vettrino is a regional manager with Standard and Poor, Detroit. They have two sons, Jim, 12, and David, 9. The boys will be attending Eastover school in the Fourth.

Water skiing is a sport the whole family enjoys. Gardening is another interest.

Jim and David left last weekend with their grandparents, the Walters of Bloomfield Hills, for a three-week vacation at Grand lake near Alpena. The Vettrinos are looking forward to spending a few days with them over the Fourth.

America At Its Bountiful Best!

You are looking, as you surely know, at a magnificent motor car—beautiful, luxurious, substantial and inspiring.

But you are also looking at something more than a motor car. For this is a Cadillac—and here, without question, is tangible proof of the bountiful land that is America!

Certainly, for instance, no one could behold a Cadillac without gaining new respect for our freedom to create and to produce. For where but from America could there come a motor car so rare in beauty or so marvelous in-quality and in luxury? Surely, no one could take the wheel of a

Cadillac without appreciating our nation's industrial progress. For where but from America could there come a motor car so fine in performance and craftsmanship?

And most assuredly, no one could hear the practical facts about Cadillac without marveling at our nation's well-being. For where but in America could so prized a personal possession be brought within the economic range of so many?

We think it appropriate, therefore, to pay tribute to these precious American virtues—and to express our own gratitude and appreciation at having been privileged

to put them to such extraordinary use.

And we should also like to take this opportunity of personally inviting all America to see and inspect its "ambassador at large".

You will find that the 1957 Cadillac, with its luxurious Fleetwood coachcrafting, is the finest "Standard of the World" ever created. And you will also find that this is the perfect moment, from the standpoint of both delivery and economy, to make the move to Cadillac.

The car will be waiting for you in the showroom of your Cadillac dealer—and you will be most welcome at any time.
