

## June is Cap and Gown Month for College Graduates

Caps and gowns were of special significance this month to men and women all over the world receiving honors at graduation ceremonies. Graduates representing the 48 states and many foreign nations were the recipients of degrees ranging from elementary education, veterinary medicine,

history, speech, production management, music, electrical engineering, accounting, journalism, art to home furnishings and many others. Pictures of these graduates were submitted by the colleges or families and other graduates, without pictures, their degrees and colleges, are also listed.
