### Den Mothers Plan Coming Events

BLOOMFIELD WEST — Den mothers of Cub Pack 41 met last week with Cub Pack mother Mrs. Fred Hamilton to organize plans for the coming weeks. Mrs. Robert Krenz invited the group to meet at her home for the planning session.

Heading Den 1 for March is Mrs. C. Brate Bryant, assisted by Mrs. Robert Miles; Den 2, Mrs. Clayton LeMotte assisted by Mrs. Williams; Den 3, Mrs. John A. Smith assisted by Mrs. Robert Smith.

Den 4, Mrs. Don Brown assisted by Mrs. Howard Whims; Den 5, Mrs. Maxwell Casey assisted by Mrs. Don Karrow; Den 6, Mrs. Hardy Broderson assisted by Mrs. Andrew Vevich; Den 7, Mrs. D. F. Rube's; Den 8, Mrs. Jack Hooten assisted by Mrs. Charles Shull.

At the Blue and Gold Banquet last week, a blue ribbon was awarded Den 3 for its three-tier cake in blue and gold, a red ribbon to Den 8 for its Uncle Sam centerpiece, colors of which were carried throughout its table decorations, and to Den 3 a white ribbon for its unusual decoration of a caged tiger.

In the bobcat ceremony following, Lynn Barber enacted the part of Akela for the new cubs. The ventriloquist act given by Wayne Fermilus entertained parents and cubs enormously.

### Achievement Day Exhibits Planned By B'ld 4-H Club

BLOOMFIELD—Bloomfield 4-H club members have been active in commemoration of national 4-H club week, March 2-9. Members went to St. Clair, Mich., for a tour of the Edison power plant there.

Drivers on the trip were Mrs. Ralph Hoxie and Mr. and Mrs. Maurice Norland. In addition, a special display of the club's purposes and accomplishments was displayed in Mulholland's department store windows last week.

On March 5, all members assembled at an early hour to view movie shorts shown on the John Merrifield Farm Digest TV program of several 4-H groups.

Their own particular short, made the previous week at the Norland home on Lone Pine road, showed Mrs. Norland, Mrs. Robert Brodie, Mrs. Russell Pickering, Mrs. Walter Szymke, and 15 club members portraying the workings of a special caucus meeting.

The boys and girls are now hard at work on their Achievement Day exhibits, to be shown on March 29-30 at the Lincoln Junior high school in Pontiac. Details will be completed at the next general meeting, to be held at 7:30 p.m., March 20, at the West Bloomfield township hall.

### Kenneth Kirbys Write Experiences Of Life Abroad

WALNUT LAKE—News from Bamberg, in the southern part of Germany, is that the family of Master Sergeant Kenneth Kirby, formerly of Walnut Lake, is enjoying its living abroad experience. Young Johnny and Michael, too young to remember their own country, have acclimated themselves to the new surroundings with no trouble.

Relatives back here, the Amos Betramans of Wycliffe road and the Thomas Kirbys also of Wycliffe road, together with the couple's brothers and sisters, have been the happy recipients of all paintings depicting the scenic countryside in which the Kirbys are stationed.

In their letters, passed eagerly around among all members of the family, they write that they have taken every opportunity to sight-seeing, and are looking forward to their summer furlough when they have still another jaunt to historic places planned.

### Thoughts Turn From Bridge Table To Garden Plans

BLOOMFIELD WEST — With little outdoor yard work to be done during the cold winter, many of the residents have been willing away the time with cards. A picnic group which has been meeting monthly includes the Donald Shank, the Road Builders, the Donald Brown, the Gordon Monke, the Mel Joritz and the Russell Gustaf.

Some have been journeying to the Birmingham Community House to brush up on bridge techniques, among them Mrs. Herbert Marx, Mrs. Gordon Clayton, Mrs. Wendell Monak, Mrs. Governor, Mrs. Paul Bergeron and Mrs. Edward Way.

Mrs. Jay Marlin entertained two different bridge groups to which she belongs in the last month, sandwiching them between bouts of chickenpox and measles.

However, talk now turns to planting plans for the coming season. Enthusiastic gardeners only slightly discouraged by last spring's long wait before the first green plants could be put outside. New varieties of shrubs and flowers and problems of grass, shrubs and does all seem to be taking precedence over the Green point system.

### Bloomfield West SOCIAL BRIEFS

A striking arrangement of bird of paradise flowers and greens centered the dinner table at the Harry Whites of West Dartmoor road, Bloomfield Farms, entertained old family friends.

Mr. and Mrs. Ralph Shelly of Hagerstown, Ind., Mrs. White's parents, were honored guests and invited to visit with them were Mr. and Mrs. Rufus Anston of Birmingham, Dr. and Mrs. Perry Robert and Dr. and Mrs. Clifford Weber of Windsor.

A reminder that next Thursday is the date of the fashion show, luncheon and card party sponsored by the Walnut Lake Women's club. Beautiful spring fashions will be modeled by members of the club. Mrs. Emmet Delaney is chairman in charge of the party, and Mrs. Paul Dahl is handling ticket sales.
