BUSINESS BRIEFS

S. W. BISHOP

Named Manager of Lewis Furniture

S. W. Bishop is the new manager of the Lewis Furniture Corp., 235 Pierce, Birmingham.

Bishop, who has been in the furniture business 26 years, comes to Birmingham from Lansing where he managed the Michigan Furniture Co.

THE NEW local manager is a graduate of Missouri Wesleyan College, Kansas Art Institute and did post graduate work in furniture designing and decorating.

Active in many civic affairs in the past, Bishop was chairman of the Red Cross, chairman of chamber of commerce merchants committee and was twice past president of the Lions Club, in Kansas City, Mo.

Bishop is commuting from Lansing until residential arrangements can be made in Birmingham.

Doctor Begins Single Practice

LATHRUP - March first, Dr. Frank A. Duwe, who for several years has been in partnership with Dr. Richard Jaynes in Redford, began an independent practice at the same address.

Dr. Duwe is a specialist in obstetrics and gynecology.

Halfway Through Speech Course

Forty outstanding teenage boys and girls in the current Junior Achievement of Southeastern Michigan program have been awarded Dale Carnegie Scholarships by Leadership Training, Inc., Detroit.

Achievers taking the world famous public speaking course had been selected for outstanding qualities shown in their own JA miniature corporation activities.

Two Achievers from Birmingham are halfway through the fourteen week instruction which ends April 26.

Jacqueline Koski, 1955 Sheffield with TELRAYCO and Robert Yingling, Jr., 32365 Wing Lake Road with CUP RE-CRAFT are current members of the Dale Carnegie course, held weekly at the Southeastern Michigan JA headquarters building, 14812 Grand River, Detroit.

Qualifications for the Dale Carnegie course are necessarily high. Achievers must be very active in the JA program and must have a high degree of interest in leadership training. Almost without exception, Achievers chosen to receive these scholarships have been in JA for a period of two to three years and have earned the moniker 'achieving in Achievement.'

To Outline Role of Architects In City Planning

Harry M. Denyes, Jr. of the architectural firm of O'Neil, Howell and Luckenbach Associates Saturday will address the annual convention of the Michigan Academy of Arts Science and Letters. Their meetings this year are being held at Wayne State University in Detroit.

Denyes' topic will be "The Role of Architects in City Planning." He will stress the importance for members of his profession to participate in the planning of communities by serving on planning commissions, zoning boards and related avenues of public service.

Fans Vote for Oscar Winners

Forty seven motion picture theaters in metropolitan Detroit, including the Birmingham and Bloomfield theaters, are co-operating in an Academy Award Sweepstakes in which patrons are asked to guess the winners among nominees in the top 12 categories.

Voting began last week in the theaters, where ballots are available. Here are the Sweepstakes categories:

Best performance by an actor, best supporting actor, best supporting actress, best motion picture, best achievement in directing, best motion picture story, best achievement in costume design, best scoring of a musical picture, best music score of a drama or comedy, and best achievement in color photography.

Arnolds Leaving for Wash., D.C. Photo Exposition

Mr. and Mrs. Allen E. Arnold, Birmingham photographers, will attend the International Photographic Exposition in Washington, D. C., March 24-29.

Rep. William Broomfield of Oakland county will be the Arnold's guest at a Master's reception honoring candidates for earned and honorary degrees of Master of Photography. Both Mr. and Mrs. Arnold hold this degree.

After the convention the Arnolds plan to leave for St. Petersburg, Fla., for a two-week vacation.

New Cars, Tractor

Birmingham city commissioner has accepted the lowest bid totaling \$1,499.70 for two new police cars from Floyd Rice Sales & Service. They also purchased a Ford model 850 tractor from the Pontiac Tractor and Equipment Company for a total delivered price of \$2,118.27.

"What in the World do you do At Birmingham Federal Savings?"

Until a stranger asked us this question the other day, it never occurred to us that everyone in these parts didn't know. So if you don't happen to be one of the 10,000 residents of this area who are saving over \$15,000,000 with us, please permit us to tell a little of our story.

We are an independent Savings and Loan Association which operates under strict laws established by the United States Government. Birmingham Federal is a mutual institution which is actually owned by its savings members and is operated for their benefit.

Part of the savings placed with us is loaned out to your neighbors in the form of first mortgage home loans on homes they are buying. Some goes for F.H.A. guaranteed home improvement loans to those fixing up their homes.

The interest paid on such loans, after deducting necessary operating expenses and putting aside legal reserves for protection, is divided twice yearly among the savings members in proportion to their individual accounts. The current return on savings is 3 1/2%, an increase of 1/2% from last year.

So savings placed with us benefit the community in two ways. The members earn a good return on their savings, which in turn, help build the community through local investment. Thus, as savings increase, the benefit to the community increases because of our greater ability to make first mortgage loans.

And savings members are protected from loss because each individual account is insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation, an instrumentality of the United States Government.

Birmingham Federal Savings has a number of services like our Vacation and Christmas Savings Clubs, Travelers Checks, Save-By-Mail, Pass Book Loans (especially nice during income tax time) and others.

So drop in soon and see us. By the way, the stranger we mentioned who started all this isn't a stranger any more. Now he is a savings member and so are his wife and three children.

Birmingham FEDERAL SAVINGS

A Locally Owned and Managed Financial Institution

"Have enough hot water left to do these curtains?"

"Plenty. We have one of those new-type electric water heaters, remember? Gives us more hot water at real low cost with Edison's new Super-Supply Plan!"

NOW EDISON MAKES ELECTRIC WATER HEATING THE BEST BUY EVER!

Detroit Edison is now offering a completely new electric water-heating service. This new Super-Supply Plan gives you an abundant supply of piping hot water at a surprisingly low cost. The 1957 water heaters are entirely new, too. They have two extra-powerful heating units to provide more hot water—faster than ever before. You can put your confidence in the new electric water heaters—built to Edison's own rigid specifications.

See them at your dealer's, plumber's or Edison Office
