

Why do grandchildren generally show much affection for their grandparents? Periodically speaking, my observation is that grandparents most often date upon the youngsters, especially grandmothers, and that the kids find more fun in the association. . . . Parents necessarily have to discipline when asleep, you know.

EVELYN HORNE relaxes at San Blas on the Caribbean side of Panama.

Teaching in Canal Zone

Evelyn Horne, a graduate of Baldwin high school and Michigan State University, has been teaching this year at Ancon Elementary, a United States Government sponsored school in the Panama Canal zone.

Daughter of Mr. and Mrs. Olaf Horne of 18171 Buckingham, Beverly Hills, she finds the position so interesting, that she already has signed a contract to teach the third and fourth grades there again next year.

There'll be a trip home this summer, though, to talk over her experiences with her family.

In letters to her parents, Evelyn tells of some of the week-end jaunts she's been able to work into her schedule. She's been to Costa Rica, and to San Blas Islands, on the Caribbean side of Panama, where the picture above was taken.

Area U of M Coeds Join Sororities
Among the 137 University of Michigan coeds who became affiliated with sororities in pledging ceremonies last week were several from this area.

Kappa; Ruth Heller, Kappa Kappa Gamma; Rosalie M. Rue, Phi Mu; Gail Gerhardt, Kappa Alpha Theta; Margaret McLeod, Pi Beta Phi; and Sonja V. Alexandroff, Phi Mu.

Mary Lou Crouch joined Sigma Phi Mu.

You may win a fortune (if a "C note's" that much) or you may find a bargain in a hat or a hutch but whatever you do or wherever you go you'll find Friday Nights in Birmingham a Whale of a show.
