PTA Turns Ear To Music, Tots And Coming Year

WING LAKE—Bruce Warnock, director of instrumental music in Bloomfield school, conducted the most interesting and informative program Wednesday for the Wing Lake school parent-teacher organization, at their March meeting.

The program, designed to demonstrate how children from the fifth grade on are taught instrumental music, began with a film showing the children making music conscious. Warnock then explained the various instruments used in each child to determine which instrument he is best fitted to play.

Members of the fifth grade were then presented, performing numbers showing what they have learned and accomplished during their first year of their sixth grade work. The young instrumentalists, including the string quartet, the woodwind quintet, and the brass band, showed progress they have made in their second year of study.

A short business meeting was conducted by Edgar Thorne, president. P.T.O. members named on the nominating committee were Mrs. William Springer, Mrs. John Shakk, Mrs. Sylvia and Mrs. Fred Davis.

Thorne told the members of the women's recreation group that the P.T.O. officers are Mrs. Fred Gould, Mrs. William Springer, Mrs. John Shakk, Mrs. Sylvia and Mrs. Fred Davis.
